following summer but circumstances afterwards occurred which prolonged my wanderings to nearly two years and a half and led me to visit many remote and unexplored portions of the globe To describe this journey in a single work would embrace too many incongruous elements to say nothing of its great length and as it falls naturally into three parts or episodes of very distinct character I have judged it best to group my experiences under three separate heads merely indicating the links which connect them This work includes my travels in Palestine Syria Asia Minor Sicily and Spain and will be followed by a third and concluding volume containing my adventures in India China the Loo Choo Islands About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
