young fellow also of about twenty six or twenty seven years of age slightly above the middle height very fair with a thin pointed and very light coloured beard his eyes were large and blue and had an intent look about them yet that heavy expression which some people affirm to be a peculiarity as well as evidence of an epileptic subject His face was decidedly a pleasant one for all that refined but quite colourless except for the circumstance that at this moment it was blue with cold He held a bundle made up of an old faded silk handkerchief that apparently contained all his travelling wardrobe and wore thick shoes and gaiters his whole appearance being very un Russian
