The Last Great Season:

The Last Good Season Michael Shapiro, 2003 A touching chronicle of the Brooklyn Dodgers and their last great season retraces this legendary team's final pennant and their difficult subsequent move to Los Angeles *The Last Great Cavalryman* Richard Mead, 2013-01-19 Dick McCreery was commissioned into the 12th Royal Lancers in 1915 and served on The Western Front winning the MC and surviving wounds In 1938 he joined the staff of 1st Division under Alexander before being given command of 2 Armored Brigade He won the DSO for his leadership during the retreat to Dunkirk May/June 1940 In North Africa McCreery was sacked by Auchinleck with whom he had major differences but while waiting for a plane home he was spotted by Alexander who made him his Chief of Staff He is credited by many but not Montgomery the two did not get on for the solution to the El Alamein victory He was promoted to command X Corps at Salerno which he commanded during the advance to the Gothic Line He relieved Leese as Commander 8th Army in September 1944 and it was his brilliant plan that seized the Argenta Gap and drove the Germans back across the River Po into Austria He became British High Commissioner in Austria C in C British Army of the Rhine and British Military Representative at the UN retiring in 1949 Although not a public figure McCreery was key figure in the development of armored warfare a brilliant tactician and among the most important British fighting generals of the Second World War This is an overdue acknowledgment of his contribution to victory The Last Great War of Antiquity James Howard-Johnston, 2021 The last great war of antiquity was fought on an unprecedented scale along the full length of the Persian Roman frontier James Howard Johnston pieces together the fragmentary evidence of this period to form for the first time a coherent story of the dramatic events key players and vast lands over which the conflict spread **The Last Great Safari** Corey W. Reigel, 2015-04-22 In *The Last Great Safari* East Africa in World War I military historian Corey W Reigel explores a fascinating and misunderstood theater of operations in the history of the First World War Unprepared for the Great War colonial units combined modern industrial weapons and equipment with traditional African methods to produce a hybrid force Throughout *The Last Great Safari* Reigel challenges myth after myth Were really one million Allied soldiers pulled up from Europe to toil in the tropical sun only to fall victim to local diseases Did the Germans truly become masters of guerrilla warfare and humiliate the British Empire in what appeared a David versus Goliath conflict Reigel brings together traditional military studies and African history to explore the myths fables and stereotypes that have long characterized examinations of this topic from questions as to how German East Africa contributed to the fate of the war to claims respecting significant diversion of resources Racism played a significant role in then prevalent definitions of what constituted military success and in how Africans and Indians were recruited holding more sway in the minds of white armies as a success factor than differences in weapons Reigel points out how modern methods of medicine and transportation ultimately failed only to be replaced by a hybrid of industrial Europe and traditional African solutions for dealing with an especially difficult climate In the end when necessity came to outweigh then current ideas of

professionalism did German forces outfight their opponents The Last Great Safari East Africa in World War I will interest students of military history African studies and World War I as this tale of colonial warfare within a war of attrition shaped part of Africa's colonial future

Pittsburgh's Greatest Teams David Finoli, 2017-10-30 Pittsburgh is synonymous with winning From the Penguins and Steelers to the Pirates and Panthers the Steel City knows championships There must be something special in the water to make Pittsburgh so particularly gifted with its sports teams The most famous teams in the city's history would most likely be the 1970s Steelers known as the Steel Curtain for obvious reasons and the Penguins who raised the Stanley Cup five times Names such as Lemieux Crosby Roethlisberger Bradshaw Clemente and Stargell are legends of American sport and members of Pittsburgh's most cherished franchises but for every sports legend and multi-million dollar franchise there are a dozen more talented players and long past teams that have been forgotten to history the Negro League's Crawford and Homestead Grays are too often overlooked in the city's sports history but were as talented as any team that has played there Author Dave Finoli ranks the fifty greatest teams that won trophies brought glory and lifted the hearts of Pittsburgh's devoted sports fans

The 25 Greatest Baseball Teams of the 20th Century Ranked Chris Holaday, Marshall Adesman, 2015-11-17 The best baseball team of the 20th century How about the 1906 Cubs Or the 1998 Yankees Don't forget the 1929 A's or the 1976 Reds Some say the Yanks had a pretty good squad in 1927 There were so many great teams in the last century it would be hard to compile a list of the 25 best much less rank those clubs but that's what the authors have done This is an endlessly fascinating tome sure to prompt spirited discussions around the water cooler or above the dugout Let the arguments and the fun begin

Semenza,2007 Robert Semenza has always considered himself fortunate to have been brought up in what may have been in his mind the last best of all times an era that spanned only a little more than a decade and a half from the early forties to the midfifties from World War II to the Korean police action from FDR to Harry the buck stops here Truman to Ike He was even more blessed to be raised in an environment where he was surrounded by a wealth of love and warmth from

our parents and a seemingly unlimited number of relatives and piasians however the adults in our lives were there only when we needed them sort of a Charlie Brown type of existence but without his anxiety He felt that all his wonderful memories would be lost forever and wanted to preserve them for the generations to follow His tale is told in a self effacing way and from the perspective of a young boy being raised in the West a neighborhood in New Rochelle New York of Italians and colored people you never called them blacks or African Americans unless you were prepared for a fight and the rest of civilization referred to simply as the Americans It tells of his Tom Sawyer Huck Finn type of youthful adventures and mishaps centered around a cast of colorful and unforgettable characters that roamed the streets of the West from the likes of the Goat Man who would proudly parade his goats down Union Avenue and whose route was undeniably marked by a trail of small round soft black pellets which the goats expelled as they merrily strolled to their noonday repast presumably to make more pellets to the Iron Horse to Louie Chicken Breast and to a whole host of other characters As he explains they were just there and accepted as they were except that they like everyone else in the neighborhood had a nickname which was generally linked to their physical appearance which in each case was obvious He has attempted the impossible task of trying to list all of these nicknames his nickname was Chesty the reader will learn why His personal memories transport the reader back to that time and to his boyish recollections of his family the school the church the Boys Club the games they invented and the special joys brought by each season of the year www.readerscircle.org **South Side Hitmen** Dan
