**The Last Laugh** Edwin C. Frederick,1997      **The Insurance Age** ,1901      **Final Undertaking** Mark de Castrique,2024-04-02 De Castrique offers original plots strikingly human characters and a heartwarming portrait of American culture His writing is to be savored Library Journal STARRED review When Barry Clayton s father developed Alzheimers Barry gave up his career in law enforcement to return to the North Carolina mountain town of Gainesboro and run the family funeral home But even a small town in the Appalachians is not immune to crime At a summer street dance Barry s friend Sheriff Tommy Lee Wadkins is gunned down by an old man distraught at the death of his wife To the dismay of Deputy Reece Hutchins hospitalized Tommy Lee appoints Barry as the deputy in charge of the investigation Who was the old man stalking Why was a young woman who was wounded at the scene traveling with the intended victim What at first appears to be a case of a mentally unstable summer tourist quickly develops into a tangled web of deceit stretching from western North Carolina to the Florida coast Someone is preying upon senior citizens Barry realizes Deputy Hutchins is undercutting his investigation but as potential witnesses and informants begin to die under mysterious circumstances Barry confronts a conspiracy that runs so deep he no longer knows who to trust One false step one betrayal will make this case Buryin Barry s final undertaking      *American Magazine* ,1921      **Israeli Humor** Elliott Oring,2012-02-01 Derived from the Arabic word for lie the word chizbat was chosen by members of the Palmah to designate the particular form of narrative joke exchanged by these volunteer defenders of Jewish settlements in Israel during the uncertain years 1941 48 Elliott Oring concentrates his attention on how the chizbat represents the expression of a distinctly Israeli identity and the disparate elements of this identity sabra European Arab Israeli East West He shows how chizbat humor depends not so much on novelty or punch line as on displaying these incongruities of Israeli identity Oring also discusses the sociocultural context in which the chizbat developed and examines how various theories of humor apply to understanding the chizbat In an appendix invaluable for the folklorist Oring has translated hundreds of chizbat into English some are from written sources and others are verbal accounts he obtained during his months of research in Israel      **Congressional Record** United States. Congress,1996      **The Big Karma Law Firm** Bob Waterstripe,2023-10-07 Savage satire that reads like binge watching a hilarious dark dystopian action series The Big Karma Law Firm files 18 billion of Texas vigilante abortion lawsuits funded by millions of vengeful donors to non profit Punish Baby Killers In other news Big Karma battles fossil fuels banks insurance companies the Pharma Cartel and other malefactors Native American news anchor Diana Dakota helps the new owners of MAXNEWS enact a 10 Million Truth Guarantee and achieve 1 ratings The guaranteed truth is more outrageous than any conspiracy theory One example how donors to Members of Congress and Senators earn 60 000% annual returns on their bribes Another how a New York Times article in 1970 led to the top 1% of Americans sucking over 50 trillion in wealth from the bottom 90% about 167 000 for every American in the 90% today including little babies All of this is just part of 33 year

old Fort Sumter s Plan to Save the World Now he and his team have the billions they need for the next step using money in politics to end money in politics Meanwhile the Supreme Court continues to consign human rights to the mercy of state legislatures Thousands of women and girls die from routine complications of pregnancy while saving them would put doctors in prison 10 year old girls are forced to carry rape babies or die trying Red states enforce travel bans for pregnant people and protective custody for fetuses Non profit No Rights No Nookie NRNN helps millions of women to legally ban sex in their relationships and advises on humane lethal enforcement techniques that keep blood off your nice duvet Suicide by rape is now a thing Men are left to take matters into their own hands With no restrictions on firearms mass shootings outpace gun sales Red states scramble to copy Texas Good Kids With Guns Act arming kids in classrooms First person mass shooter videos in slow motion set to music get over 5 billion views per day on Bullet Ballet Drought floods fires hurricanes and heat domes create millions of American climate refugees adding to the rush of economic and political refugees from Red states Then just months before an election 170 million American women find out that the Equal Rights Amendment to the U S Constitution was never ratified What else could go wrong Turns out plenty
