A fascinating thorough look at pro basketball s continuing evolution to becoming the sport of the American Dream Publishers Weekly The Soul of Basketball tells the story of an NBA prodigy his league and their sport in the throes of crisis during the pivotal 2010 11 season It began with The Decision that infamous televised moment when uber star LeBron James revealed that he was leaving the Cleveland Cavaliers thereby distancing himself from his role model Michael Jordan to pursue his first championship with his former opponents on the Miami Heat To the great fortune of LeBron the NBA and basketball itself the mission didn t work out as planned In this book veteran NBA writer Ian Thomsen portrays the NBA as a self correcting society in which young LeBron is forced to absorb hard truths inflicted by his rivals Kobe Bryant Doc Rivers and Dirk Nowitzki in addition to lessons set forth by Pat Riley Gregg Popovich Larry Bird David Stern Joey Crawford and many more

Brimming with inside access *The Soul of Basketball* tells the inspiring story of LeBron's loneliest year insecure and uncertain when his ultimate foe was an unlikely immigrant who renewed the American game's ideals From Miami to Boston Los Angeles to Dallas Germany to the NBA's Manhattan headquarters the biggest names in basketball are driven by something more valuable than money and fame a quest that would pave the way for Stephen Curry Kevin Durant and future generations to thrive Ian Thomsen provides an antidote to the fast food twitter feed of instant information consumption deft prose and snappy anecdotes Great great stuff Leigh Montville New York Times bestselling author of *Sting Like a Bee* A fine work of sports journalism Kirkus Reviews starred review

Basketball and Philosophy Jerry Walls, 2007-03-09 What can the film *Hoosiers* teach us about the meaning of life How can ancient Eastern wisdom traditions such as Taoism and Zen Buddhism improve our jump shots What can the Zen Master Phil Jackson and the Big Aristotle Shaquille O'Neal teach us about sustained excellence and success Is women's basketball better basketball How ethically should one deal with a strategic cheater in pickup basketball With NBA and NCAA team rosters constantly changing what does it mean to play for the same team What can coaching legends Dean Smith Rick Pitino Pat Summitt and Mike Krzyzewski teach us about character achievement and competition What makes basketball such a beautiful game to watch and play Basketball is now the most popular team sport in the United States each year more than 50 million Americans attend college and pro basketball games When Dr James Naismith the inventor of basketball first nailed two peach baskets at the opposite ends of a Springfield Massachusetts gym in 1891 he had little idea of how thoroughly the game would shape American and international culture Hoops superstars such as Michael Jordan LeBron James and Yao Ming are now instantly recognized celebrities all across the planet So what can a group of philosophers add to the understanding of basketball It is a relatively simple game but as Kant and Dennis Rodman liked to say appearances can be deceiving Coach Phil Jackson actively uses philosophy to improve player performance and to motivate and inspire his team and his fellow coaches both on and off the court Jackson has integrated philosophy into his coaching and his personal life so thoroughly that it is often difficult to distinguish his role as a basketball coach from his role as a philosophical guide and mentor to his players In *Basketball and Philosophy* a Dream Team of twenty six basketball fans most of whom also happen to be philosophers proves that basketball is the thinking person's sport They look at what happens when the Tao meets the hardwood as they explore the teamwork patience selflessness and balanced and harmonious action that make up the art of playing basketball
