and King Harold of England LEGEND OF THE LAST VIKINGS - Free Alternate Ending John Halsted, 2017-10-23 In 1066 upon the death of Edward the Confessor Harald Godwinson King of Norway challenged for the crown of England claiming it was his through his bloodline He led a large force of over 400 longships to England and after a few initial victories was defeated during the Battle of Stamford Bridge near York by Harold Godwinson Only 24 longships returned to Norway Two weeks later Harold Godwinson and his army exhausted by the forced march from York to Hastings were defeated William the Conqueror And the rest they say is history Or is it Questions remain What happened to the Vikings after Stamford Bridge Where did they go What did they do Well Legend of the Last Vikings is just one possibility But why an Alternate Ending When I started researching the book I was amazed to discover that the Silk Route was not just one route but instead a whole network of routes reaching from Eastern Europe and criss crossing Asia As such I had to decide which of these routes my characters would travel along Before I could make this decision I had to research the routes In doing so I found so much fascinating information on each trying to decide which route to travel was not easy Even though I eventually settled upon a route I did not want to waste potential stories so decided to write an alternate ending which in effect gives the reader a two for one Synopsis Chapters 1-33 I was going to give a summary of the chapters 1 to 33 but have decided that too much action adventure character building and meaning would be lost in doing so so I have kept this to a minimum by providing the following synopsis On returning home to Norway after defeat at Stamford Bridge in 1066AD our hero Ulf Uspakson herald to King Harald Godwinson realises an era is over Then he remembers the story of a Swedish Viking Adventurer Yngvar Vittfarne Yngvar the Far Travelled who went missing on a journey to the East and in a last fling of youth decides to try and trace him somewhere on the Silk Route No easy task The alternate ending starts at Chapter 34 with the conclusion of the adventure in China's Taklamakan desert or is it After leaving Shanguo and crossing the Tien Shan mountains the crew as I affectionately call this motley group follow the course of the Jaxartes River Syr Darya to the Aral Sea in Kazakhstan They then cross the Karakum and Barsuki deserts they loop around the top of the Aral sea Approaching Astrakhan from the North East they are tired and weary after such an arduous journey As always trouble awaits and the crew will have to summon physical and mental strength from reserves hidden deep within themselves About the Book Itself A finalist in the Foreword Magazine Book of the Year Competition It has a 4 Star Amazon rating and reviews of the book can be found on the Amazon page as well

Bown, 2012 One hundred years have passed since Robert Falcon Scott's beleaguered expeditionary team arrived at the South Pole only to find that they had been beaten by the Norwegian explorer Roald Amundsen The most feted explorer of his generation Amundsen counted the discovery of the Northwest Passage in 1905 as well as the North Pole amongst his greatest achievements In the

golden age of polar exploration Amundsen whose revolutionary approach to technology transcends polar and nautical significance was a titan among men However until now his story has rarely featured as more than a footnote to Scott's tragic failure Reviled for defeating Scott but worshipped by his men Amundsen was pursued by women and creditors throughout his life before disappearing on a rescue mission for the Italian Fascist who had set off in an airship to claim the North Pole for Mussolini The Last Viking is the life of a visionary and a showman who brought the era of Shackleton to an end put the newly independent Norway on the map and was the twentieth century's brightest trailblazing explorer Against the backdrop of the race to conquer the most inhospitable corners of the earth The Last Viking stands alongside The Worst Journey in the World for its grim immediacy of heroism and hardship Bestriding the generation defined by adventure and the unquenchable desire for discovery it is the mesmerising story of courage misery friendship and the ultimate price paid for immortality **The last of the Vikings** Charles Young (maj.),1895 *Harald Hardrada* Michael Burr,2011 In the dead of night a band of Vikings ravage a lonely convent on the Brittany coast and their fearsome leader makes a decision that will eventually lead to his downfall Ranulf de Lannion is fifteen years old Crippled deformed and abandoned by his family to the charity of the convent he is seized by the Vikings during a midnight raid Contemptuously nicknamed The Scraeling by his captors his future appears grim Harald Sigurdsson or Hardrada as he will come to be known is the leader of the Viking band A violent mercenary with designs on the throne of Norway Hardrada abducts The Scraeling on a whim Ranulf grows into an invaluable asset smoothing Hardrada's path over their thirty five years together from mercenary to commander of the Varangian Guard all the way to king of Norway But all is not as it seems in the heart of Ranulf de Lannion Having sworn secret revenge upon Hardrada for the murders at the convent he vows to end the day of the Viking forever When the king of Norway launches an attack against the Anglo Saxon throne of England in 1066 what role will The Scraeling play in bringing the age of the Viking to an end **The Vikings** Robert Livesey,2019-10-01T00:00:00-04:00 Meet these daring men and women who first discovered Canada Who were they Where did they travel What gods inspired them Where did they live How did they dress What sports did they play Play a Viking board game Write with the Viking alphabet Find the North Star Make a Viking helmet And much much more [Vikings - Final Secrets Revealed](#) World History,2025-05-06 In the past 50 years significant progress has been made in mapping and understanding Scandinavia during the Viking Age Archaeologists and historians have carefully studied various sources such as ancient postholes and thousand year old grape seeds in their efforts to uncover the truth about the Viking world This work is crucial because the Vikings did not document their history and what we know is based on exaggerated accounts from monks and sagas However with the help of patience and modern technology researchers are slowly piecing together the puzzle While considerable progress has been made there are still unanswered questions World History invites you on a fascinating journey to bygone eras allowing you to explore the greatest events in history Take a trip back in time to the frontlines of World War 2 to the Viking raids and to the religious rituals of ancient

Viking / Norse Saga Anon E. Mouse, 2018-09-28 EGILL SKALLAGRIMSSON ca 910AD ca 990AD was a Viking Age poet warrior and farmer and the protagonist of this Saga Born in Iceland the son of Skalla Grmr Kveldlfsson a respected chieftan and Bera Yngvarsdóttir Egill composed his first poem aged three years and exhibited berserk behaviour at an early age a bloody theme which continues throughout the saga and this together with the description of his large and unattractive head has led to the theory that he might have suffered from Paget's disease This is corroborated by the Mosfell Archaeological Project with an archaeological find of a head from the Viking era at Mosfell which is thought to be Egill's At the age of seven Egill was cheated in a game with local boys Enraged he procured an axe and returning to the boys split the skull of the boy who cheated him Later in life after being grievously insulted Egill killed Breki of Atley a retainer of King Eirík Bloodaxe and kinsman of Queen Gunnhildr Seething with hatred Gunnhildr ordered her two brothers to assassinate Egill and his brother Rólf However Egill slew the Queen's brothers when they attempted to confront him Declared an outlaw by Eirík Bloodaxe Bergnundr gathered a company of men to capture Egill but was killed in his attempt to do so Before escaping from Norway Egill also slew Ragnvaldr the son of King Eirík and Queen Gunnhildr He then cursed the King and Queen setting a horse's head on a Níðing pole He later fought at the Battle of Brunanburh in the service of King Athelstan Ultimately Egill returned to his family farm in Iceland where he remained a power to be reckoned with in local politics He lived into his eighties Eventually blind died shortly before Iceland converted to Catholicism Before Egill died he buried his silver treasure near Mosfellsbær In his last act of violence he murdered the servant who helped him bury his treasure NOTE Even though Christianity took sway in Scandinavia around the time the saga is set it is not suggested that Norsemen led wholly pious lives filled with spiritual observances Egil Skallagrímsson's poem Sonatorrek Ch 81 composed on the death of two of his sons goes some way to clarifying the relationship between the pagan Norseman and the old Norse gods better perhaps than any other surviving Norse or Icelandic literature As a poet and a warrior Egil believed in Odin's gifts above most other deities Egill remains a very popular figure in Iceland with a beer brewery TV show songs and an annual SCA Memorial Tournament named after
