Astronomical Sketching: A Step-by-Step Introduction Richard Handy, David B. Moody, Jeremy Perez, Erika Rix, Sol Robbins, 2007-06-12 This book presents the amateur with fine examples of astronomical sketches and step by step tutorials in each medium including pencil pen and ink chalks and pastels painting and computer graphics programs This unique book can teach almost anyone to create beautiful sketches of celestial objects by following simple illustrated step by step instructions Readers can select a chapter related to their preferred class of object and rapidly learn techniques in several media Each chapter contains useful information regarding equipment techniques for preserving and archiving sketches and suggestions for accurate record keeping *An Introduction to Perspective, Drawing and Painting ... Second edition ... enlarged and improved* Charles Hayter, 1815 *Samuel van Hoogstraten's Introduction to the Academy of Painting; or, The Visible World* Samuel van Hoogstraten, 2021-01-19 A unique seventeenth century account of painting as it was practiced taught and discussed during a period of extraordinary artistic and intellectual ferment in the Netherlands The only comprehensive work on painting written by a Dutch artist in the later seventeenth century Samuel van Hoogstraten's *Inleyding tot de hooge schoole der schilderkonst anders de zichtbaere werelt Introduction to the Academy of Painting or The Visible World* 1678 has long served as a source of valuable insights on a range of topics from firsthand reports of training in Rembrandt's studio to contemporary engagements with perspective optics experimental philosophy the economics of art and more Van Hoogstraten's magnum opus here available in an English print edition for the first time brings textual sources into dialogue with the author's own experience garnered during a multifaceted career Presenting novel twists on traditional topics he makes a distinctive case for the status of painting as a universal discipline basic to all the liberal arts Van Hoogstraten's arguments for the authority of what painters know about nature and art speak to contemporary notions of expertise and to the unsettled relations between theory and practice making this book a valuable document of the intertwined histories of art and knowledge in the seventeenth century *The Village Children, an Introduction to the Art of Painting Children and Their Stories* Marie Dubois, 2009 The book is both a children's story book and a craft book and is in two parts The story book section contains short and longer stories for young children to read printed in both English and French The craft section is an introduction to painting for the aspiring young artists Part One includes full colour illustrations of plates originally painted by hand on porcelain china and canvas by Marie Dubois On the opposite page the author has written stories both in English and French based on the theme of each plate The stories have been translated to French to familiarise young children to a foreign language especially now learning a second language has been added to the school curriculum Part Two is an introduction to the art of painting The book gives brief instructions as to the materials required basic techniques and painting principles that beginners will need to create some fine artistic tableau as well as definitions of various brush strokes for beginners to practice so that they can achieve their own fine art work The Book also includes line

work for each plate design which can be traced on to any painting material It is hoped that the artwork contained in this volume will inspire other painters to produce similar pieces of work The designs require a great deal of careful creative attention All drawings and colours on the designs have a distinctive style particularly the characteristic figures old fashion costumes and hats The book is not only for children to read or parents to read to their children but is also for painters art teachers and others who might be interested in creating this fine art and will have reason to feel proud of their own achievements
