ANIMATION

The DVD cover features two anime-style characters. In the upper left, a woman with long, flowing purple hair and a dark blue, strapless top is shown from the waist up, looking down with a wide, toothy grin. In the center, a young man with spiky red and yellow hair, wearing a yellow tunic with blue lacing, is shown from the chest up, looking forward with a slight smile. He is holding a dark, ornate sword that emits a bright white light from its tip. The background is a dark, swirling purple and blue, suggesting a magical or battle environment. The title 'SLAYBERS' is written in large, stylized, metallic letters across the bottom, with 'THE MOTION PICTURE' in smaller, simpler letters below it.

Slayers The Motion Picture:

Slayers & Vampires: The Complete Uncensored, Unauthorized Oral History of Buffy & Angel Edward

Gross, Mark A. Altman, 2017-09-26 From the bestselling authors of the critically acclaimed two volume series *The Fifty Year Mission* comes *Slayers* as well as *Angel* the tortured vampire with a soul who fought against the apocalyptic forces of evil. Now go behind the scenes of these legendary series that ushered in the new Golden Age of Television with the candid recollections of writers, creators, executives, programmers, critics, and cast members. Together they unveil the oftentimes shocking true story of how a failed motion picture became an acclaimed cult television series, how that show became a pawn between two networks, and the spin off series that was as engaging as everything that came before. This is the amazing true story of *Buffy* and the friends, vampires, slayers, and demons who changed television forever. The authors talked to almost 100 writers, producers, directors, filmmakers, sociologists, and stars from *Buffy The Vampire Slayer* and *Angel* in new and vintage interviews from their personal archives among them Joss Whedon, Guillermo del Toro, Felicia Day, Anthony Stewart Head, Charisma Carpenter, James Marsters, David Boreanaz, Amy Acker, J. August Richards, Eliza Dushku, Christian Kane, Julie Benz, and more. At the publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Perils of Moviegoing in America Gary D. Rhodes, 2011-11-24 During the first fifty years of the American cinema, the act of going to the movies was a risky process fraught with a number of possible physical and moral dangers. Film fires were rampant, claiming many lives, as were movie theatre robberies which became particularly common during the Great Depression. Labor disputes provoked a large number of movie theatre bombings while low level criminals like murderers, molesters, and prostitutes plied their trades in the darkened auditoriums. That was all in addition to the spread of disease, both real as in the case of influenza and imagined movie eyestrain. Audiences also confronted an array of perceived moral dangers. Blue Laws prohibited Sunday film screenings though theatres ignored them in many areas, sometimes resulting in the arrests of entire audiences. Movie theatre lotteries became another problem condemned by politicians and clergymen throughout America for being immoral gambling. *The Perils of Moviegoing in America 1896-1950* provides the first history of the many threats that faced film audiences, threats which claimed hundreds if not thousands of lives. Furry Fandom, **Sith, Slayers, Stargates & Cyborgs** John R. Perlich, David Whitt, 2008 The beginning of the twenty first century has already seen its fair share of modern myths with heroes such as Spider-Man, Superman, and Harry Potter. The authors in this volume deconstruct, discuss, engage, and interrogate the mythologies of the new millennium in science fiction, fantasy texts. Using literary and rhetorical criticism paired with philosophy, cultural studies, media arts, psychology, and communication studies, they illustrate the function, value, and role of new mythologies and show that the universal appeal of these texts is their mythic power drawing upon archetypes of the past which resonate with individuals and throughout culture. In this way, they demonstrate how mythology is timeless and eternal. **Watching Anime, Reading Manga** Fred Patten, 2004-09-01 The
