Sleeping With The Pastor A Testimony Of An Abusive Marriage:

Sleeping with the Pastor Toni Graham, 2005-12 As a Christian woman who suffered years of emotional abuse from my preaching spouse I have discovered that I m not alone Millions of Christian women stay in an abusive marriage because they are taught it is a sin to get a divorce As much as the Lord doesn t like divorce He does not want us to live in an abusive marriage You don t have to stay there and suffer in silence while your husband has an affair shows severe mood swings and verbally abuse you and all this is before he get up the preach to the congregation We are princess of the King we deserve the best that our Father has to offer Jesus came to save us from our sins but he also came to heal us to provide for us be it physically or emotionally God is still delivering his people from the hands of Pharaoh today I wanted to let women know that there is someone who understands and who s been there As I frantically search within the church walls for a woman who would give me the right advice and all I ran up against are women who stayed until their spouse died or they are still in the abusive marriage The others never had an abusive marriage and didn t know what to say Whether you stay or go this book is not to help you make up your mind but to just share my personal discover of my marriage to a minister that know matter how I tried to keep it together fell apart anyway Be encouraged and seek the Lord s guidance and your life GOD IS STILL IN CONTROL

Strengthening Families and Ending Abuse Nancy Nason-Clark, Barbara Fisher-Townsend, Victoria Fahlberg, 2013-06-04 Strengthening families of different varieties and ending abuse in the myriad of forms through which it surfaces is God s way of bringing peace and safety to Christian homes across the world We challenge congregations their leaders and the men women and youth who faithfully support them to consider their personal role in bringing this vision inspired by the Scriptures into reality Together our voices can be strong We are united in our belief that every home should be a safe home every home a shelter from the storms of life every home a place where we are supported treated with respect and dignity and every home a place where men and women are encouraged to be all they can be It is a tall order It is a dream to guide our personal conduct and to measure our congregational and community life We are far from reaching this goal but toward it we strive
