Sleuthing C S Lewis More Light In The Shadowlands:

Sleuthing C.S. Lewis Kathryn Ann Lindskoog,2001 Finally the scandal of the Chronicles of Narnia may be the biggest and most misleading of all Rearranging the order of the books against Lewis s wishes is just a minor part of the problem

Taking Up Serpents David L. Kimbrough,2002 David Kimbrough explains the history and practice of serpent handling believers from the pserspective of a respectful and scholarly participant ovserver *Sehnsucht: The C. S. Lewis Journal* Grayson Carter,2011-02-23 Sehnsucht The C S Lewis Journal established by the Arizona C S Lewis Society in 2007 is the only peer reviewed journal devoted to the study of C S Lewis and his writings published anywhere in the world It exists to promote literary theological historical biographical philosophical bibliographical and cultural interest broadly defined in Lewis and his writings The journal includes articles review essays book reviews film reviews and play reviews bibliographical material poetry interviews editorials and announcements of Lewis related conferences events and publications Its readership is aimed at academic scholars from a wide variety of disciplines as well as learned non scholars and Lewis enthusiasts At this time Sehnsucht is published once a year

The Fame of C. S. Lewis Stephanie L. Derrick,2018-05-31 C S Lewis long renowned for his children s books as well as his Christian apologetics has been the subject of wide interest since he first stepped up to the BBC s microphone during the Second World War Until now however the reasons why this medievalist began writing books for a popular audience and why these books have continued to be so popular had not been fully explored In fact Lewis who once described himself as by nature an extreme anarchist was a critical controversialist in his time and not to everyone s liking Yet somehow Lewis s books directed at children and middlebrow Christians have continued to resonate in the decades since his death in 1963 Stephanie L Derrick considers why this is the case and why it is more true in America than in Lewis s home country of Britain The story of C S Lewis s fame is one that takes us from his childhood in Edwardian Belfast to the height of international conflict during the 1940s to the rapid expansion of the paperback market and on to readers experiences in the 1980s and 1990s and finally to London in November 2013 where Lewis was honoured with a stone in Poet s Corner in Westminster Abbey Derrick shows that in fact the author himself was only one actor among many shaping a multi faceted image The Fame of C S Lewis is the most comprehensive account of Lewis s popularity to date drawing on a wealth of fresh material and with much to interest scholars and C S Lewis admirers alike

The Oxbridge Evangelist Michael J Gehring,2017-11-30 In The Oxbridge Evangelist Motivations Practices and Legacy of C S Lewis Michael Gehring examines the evangelistic practices of one of the most significant lay evangelists of the twentieth century In the 1930s his contemporaries would never have predicted the scope of the legacy that Lewis was to leave behind him Although millions across the world have been influenced by Lewis s evangelical thought Lewis scholarship has not paid sufficient attention to this crucial side of this multi faceted author The Oxbridge Evangelist examines Lewis s loss and recovery of faith and it shows how his experience heightened his own awareness of the loss of the Christian faith in England Because of his ability to

identify with others Lewis engaged in the work of evangelism with uncanny skill This work required singular courage on his part it cost him dearly professionally and in his relationships Gehring critically explores Lewis s motivations practices and legacy of evangelism In doing so he provides penetrating insight for those interested in the theory and practice of evangelism in a culture that too readily leaves it to the crazies of the Christian tradition or relegates it to the margins of church life

C. S. Lewis Bruce L. Edwards,2007-04-30 Most popularly known as the author of the children s classic The Chronicles of Narnia C S Lewis was also a prolific poet essayist novelist and Christian writer His most famous work The Lion the Witch and the Wardrobe while known as a children s book is often read as a Christian allegory and remains to this day one of his best loved works But Lewis was prolific in a number of areas including poetry Christian writing literary criticism letters memoir autobiography sermons and more This set written by experts guides readers to a better understanding and appreciation of this important and influential writer Clive Staples Lewis was born on November 29 1898 in Belfast Northern Ireland His mother died when he was young leaving his father to raise him and his older brother Warren He fought and was wounded in World War I and later became immersed in the spiritual life of Christianity While he delved into the world of Christian writing he did not limit himself to one genre and produced a remarkable oeuvre that continues to be widely read taught and adored at all levels As part of the circle known as the Inklings which consisted of writers and intellectuals and included J R R Tolkien Charles Williams and others he developed and honed his skills and continued to put out extensive writings Many different groups now claim him as their own spanning genres from science fiction to Christian literature from nonfiction to children s stories his output remains among the most popular and complex Here experts in the field of Lewis studies examine all his works along with the details of his life and the culture in which he lived to give readers the fullest complete picture of the man the writer and the husband alongside his works his legacy and his place in English letters **BEYOND NARNIA** Ray

Baker,2021-04-28 Lewis was an amazing author who has impacted the faith of millions of people around the world Unfortunately most people never read anything by C S Lewis other than The Chronicles of Narnia This is good as far as it goes but what a shame if that s all one ever reads of this genius Although some may go on to read Mere Christianity or even The Screwtape Letters Miracles or The Problem of Pain very few have ever mined the riches that are to be found in Lewis s collected essays or had their longing for the numinous stirred by hauntingly brilliant Dymer and The Pilgrim s Regress It is my desire in this book to show that Lewis is more than just Narnia Beyond Narnia The Theology of C S Lewis is an in depth analysis of the most important themes in the work of C S Lewis including the sensation of joy or longing as signposts to God his view of the Bible as both myth and the Word of God his defense of miracles against Hume s famous critique his insightful observations on the problem of pain and his often misunderstood but groundbreaking thoughts on hell This book provides an accessible and thorough introduction to C S Lewis for undergraduate students and Lewis fans who want to go deeper in their understanding **Linguistic Fingerprints** Roger Kreuz,2023-08-01 How much of ourselves do we disclose when we speak

or write A person's accent may reveal for example whether they hail from Australia or Ireland or Mississippi But it's not just where we were born we divulge all sorts of information about ourselves and our identity through language Level of education gender age and even aspects of our personality can all be reliably determined by our vocabulary and grammar To those who know what to look for we give ourselves away every time we open our mouths or tap on a keyboard But how unique is a person's linguistic identity Can language be used to identify a specific person To identify or to exonerate a murder suspect To determine who authored a particular book The answer to all these questions is yes Forensic and computational linguists have developed methods that allow linguistic fingerprinting to be used in law enforcement Similar techniques are used by literary scholars to identify the authors of anonymous or contested works of literature Many people have heard that linguistic analysis helped to catch the Unabomber or to unmask an anonymous editorialist but how is it done LINGUISTIC FINGERPRINTS will explain how these methods were developed and how they are used to solve forensic and literary mysteries But these techniques aren't perfect and the book will also include some cautionary tales about mistaken linguistic identity *Heroes of Faith* Gene Fedele, 2003-03 2 000 Years of Christianity Be inspired through these godly men and women who changed their world for Christ Stories of supernatural courage callous disbelief and the life changing Gospel

Truths Breathed Through Silver Joe R. Christopher, Jonathan Himes, Salwa Khoddam, 2009-03-26 Representing a decade of scholarly activity within the C S Lewis Inklings Society CSLIS this book challenges readers to examine the complex factors that shaped the theological perspectives cultural concerns and literary conventions in the works of the Oxford Inklings The mythopoeic fiction that Lewis Tolkien Williams and their associates enjoyed and composed put mortal humanity in contact with the immortal and the divine The selection of papers in this volume intended not only for experts but also for undergraduates and general readers includes keynote presentations by Joe R Christopher Rolland Hein Kerry Dearborn David Neuhouser and Thomas Howard that explore the Inklings legacy of moral mythopoeia as well as essays that analyze works like *Screwtape* Tom Shippey *The Magician's Nephew* Salwa Khoddam *The Silmarillion* Jason Fisher *The Lord of the Rings* David Oberhelman and *The Dark Tower* Jonathan B Himes The Inklings believed there was still power in the old myths and ultimately that there was still truth to fortify humanity in them Their friendship and their fiction provided these men a forum for entertaining speculative and sometimes unorthodox answers to the complex realities of sacred tradition
