Sleuths Inc Studies Of Problem Solvers Doyle Simenon Hammett Ambler Chandler:

Sleuths, Inc Hugh Eames,1978 **Sherlock Holmes. Selected Stories** Arthur Conan Doyle,2014-04-10 Detection is or ought to be an exact science For more than a century the Holmes stories have held a strange almost inexplicable grip on the popular imagination They are intimately associated with late Victorian and Edwardian society yet curiously timeless in their appeal The characters of Sherlock Holmes and Dr Watson together with their housekeeper Mrs Hudson and their address at 221B Baker Street are as familiar today as when they made their first appearance in the late 1880s The stories have been endlessly interpreted adapted and modernized but still it is to Arthur Conan Doyle s originals that we return This new selection of some of the best of them is designed to give readers a full sense of their world the brooding fog of London ruined heirs in creaking mansions and hidden crimes in the farthest flung corners of the British Empire The stories take Holmes s career from its early days to its close and include the book length Sign of the Four Barry McCrea s introduction investigates the currents that lie beneath their surface ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more Twentieth Century Crime & Mystery Writers NA NA,2015-12-25 American Mystery and Detective Novels Larry Landrum,1999-05-30 Mystery and detective novels are popular fictional genres within Western literature As such they provide a wealth of information about popular art and culture When the genre develops within various cultures it adopts and proceeds to dominate native expressions and imagery American mystery and detective novels appeared in the late nineteenth century This reference provides a selective guide to the important criticism of American mystery and detective novels and presents general features of the genre and its historical development over the past two centuries Critical approaches covered in the volume include story as game images myth criticism formalism and structuralism psychonalysis Marxism and more Comparisons with related genres such as gothic suspense gangster and postmodern novels illustrate similarities and differences important to the understanding of the unique components of mystery and detective fiction The guide is divided into five major sections a brief history related genres criticism authors and reference This organization accounts for the literary history and types of novels stemming from the mystery and detective genre A chronology provides a helpful overview of the development and transformation of the genre An Introduction to the Detective Story LeRoy Panek,1987 This book traces the origins of the detective story presents the literary and cultural forces that have influenced it follows its development and discusses some of the major authors who have contributed to its evolution and popularity Adapted from the author s Preface **Encyclopedia of the British Novel** Virginia Brackett,Victoria Gaydosik,2015-04-22 Praise for the print edition comprehensive Recommended *Not Just for Children* Harold E. Hinds,Charles M. Tatum,1992-07-22 This

pioneering study presents an overview of the Mexican comic book industry together with in depth studies of the best selling Mexican comic books of the 1960s and 1970s Most of the popular superhero adventure humor romance political detective and Western comic books are described and analyzed in detail and then discussed in terms of how they reflect both Mexican and United States cultures The study concludes with a critical discussion of the media imperialism hypothesis applicability to the Mexican comic book The comic book is Mexico s most popular print medium read by all ages and socio economic groups Many may be surprised to learn that in Mexico Mexican comic books far outsell U S comic books in Spanish translation The Mexican comic book is not a clone of its U S model but rather a hybrid product that mixes U S forms and conventions with Mexican content This work is a major contribution to the understanding of contemporary Mexican culture **Critical**

Kenneth Van Dover,2005 We Must Have

Certainty surveys the development of the genre of the detective story from its origins in the mid nineteenth century to its

current profile in the early twenty first century It locates a principal appeal of the genre in the nature of the world that the detective necessarily inhabits a world of more or less realistic violence and excitement and at the same time a world that always in the end makes sense It suggests that there is a significance to a popular narrative formula that requires that an initial world of suspicion and uncertainty be inevitably transformed by the detective into a world of clarity and order Though scholarship in the field is acknowledged the author s citations are most often from detective stories themselves The essays are written in an accessible style those who have read a few novels in the genre as well as those who have read many will find the book stimulating and provocative Concise Histories of American Popular Culture M. Thomas Inge,1982-08-26
