Slobodan Milosevic And The Destruction Of Yugoslavia:

Slobodan Milosevic and the Destruction of Yugoslavia Louis Sell, 2002-02-22 A political biography of Slobodan Milosevic by a diplomatic insider

Serbian Paramilitaries and the Breakup of Yugoslavia Iva Vukušić, 2022-09-30 This is the first book to offer a comprehensive analysis of the emergence nature and function of Serbian paramilitary units during the violent breakup of Yugoslavia The book investigates the nature and functions of paramilitary units throughout the 1990s and their ties to the state and President Slobodan Milo evi The work relies on the archives of the International Criminal Tribunal for the former Yugoslavia in The Hague which conducted dozens of trials relating to paramilitary violence and records from judicial proceedings in the region It discusses how and why certain important paramilitary units emerged how they functioned and transformed through the decade what their relationships and entanglements were with the state the Milo evi regime and organized crime The study thus investigates the interrelated ideological political and social factors and processes fueling paramilitary engagement and assesses the impact of this engagement on victims of paramilitary violence and on the state and society for which the units purportedly fought It argues that coordinated action by a number of state institutions gave rise to paramilitaries tasked with altering borders while maintaining plausible deniability for the sponsoring regime The outsourcing of violence by the state to paramilitaries led to a significant weakening of the very state these units and their sponsors swore to protect The book also analyzes differences between the units and how they attacked civilians arguing that the different forms of violence stemmed not only from the function they fulfilled for the state but also the ways in which they were set up and operated The final chapter brings the different strands of the argument together into a coherent whole suggesting avenues for further research in the former Yugoslavia and beyond This book will be of much interest to students of ethnic conflict and civil war war crimes Balkan politics and International Relations in general

A Legal Geography of Yugoslavia's Disintegration Ana S. Trbovich, 2008-02-05 A Legal Geography of Yugoslavia s Disintegration explains the violent break up of the former Yugoslavia in early 1990s in the context of two legal principles sovereignty and the self determination of peoples The author recounts Yugoslavia s history with a focus on the country s internal administrative divisions and aspirations of different ethnic groups in order to effectively explain the genesis of the international community s political decision to recognize the right of secession for the largest administrative units of Yugoslavia Trobovich a Serbian author writing from the perspective of a disengaged scholar tackles her subject matter with clarity and detail and offers an intriguing analysis of Kosovo s future status international recognition of secession implications of Yugoslavia s disintegration for other conflicts invoking right to self determination and international intervention in ethnic conflicts

Bosnian Genocide Paul R. Bartrop, 2016-01-18 Providing an indispensable resource for students and policy makers investigating the Bosnian catastrophes of the 1990s this book provides a comprehensive survey of the leaders ideas movements and events pertaining to one of the most devastating conflicts of contemporary times In the three years of the Bosnian War well over 100 000

people lost their lives amid intense carnage This led to unprecedented criminal prosecutions for genocide war crimes and crimes against humanity that are still taking place today

Bosnian Genocide The Essential Reference Guide is the first encyclopedic treatment of the Balkan conflicts of the period from 1991 to 1999 It provides broad coverage of the nearly decade long conflict but with a major focus on the Bosnian War of 1992 1995 The book examines a variety of perspectives of the conflicts relating to Slovenia Croatia Bosnia Herzegovina Serbia and Kosovo among other developments that took place during the years spotlighted The entries consider not only the leaders ideas movements and events relating to the Bosnian War of 1992 1995 but also examine themes from before the war and after it As such coverage continues through to the Kosovo Intervention of 1999 arguing that this event too was part of the conflict that purportedly ended in 1995 This work will serve university students undertaking the study of genocide in the modern world and readers interested in modern wars international crisis management and peacekeeping and peacemaking
