The Sloops of the Hudson William Edward Verplanck,Moses Wakeman Collyer,1908 *The Sloops of the Hudson*
William E. Verplanck,2015-07-28 Excerpt from The Sloops of the Hudson An Historical Sketch of the Packet and Market
Sloops of the Last Century With a Record of Their Names Together With Personal Reminiscences of Certain of the Notable
North River Sailing Masters No history of the sloops of the Hudson so far as I can learn has ever been written nor has any
more than a bare reference here and there been made to them in the literature of the past sixty years Cooper and Irving
make mention of these useful vessels and in a way that makes it quite evident that their importance in the daily life of the
people struck the imagination of those writers in a lively manner But later writers have apparently ignored the sloop Perhaps
it was because she was like those worthy persons who make no noise as they go through the world and whose quiet and
useful lives are taken as a matter of course About the Publisher Forgotten Books publishes hundreds of thousands of rare and
