## **Slovar Inostrannykh Slovo:**

Terminology, LSP and Translation Harold Somers, 1996-12-19 A state of the art volume highlighting the links between lexicography terminology language for special purposes LSP and translation and Machine Translation that constitute the domain of Language Engineering Part I Terminology and Lexicography Takes us through terminological problems and solutions in Europe the former Soviet Union and Egypt Part II focuses on LSP for second language learners and lexical analysis Part III treats translator training in a historical context as well as new methods from cognitive and corpus linguistics Part IV is about the application of language engineering in Machine Translation corpus linguistics and multilingual text generation A Bibliography of Slavic Dictionaries: Russian, 1972 **Language and Power in the Creation of the USSR, 1917-1953** Michael G. Smith, 2012-02-13 No detailed description available for Language and Power in the Creation of the USSR 1917 1953 Russia in the Age of Reaction and Reform 1801-1881 David Saunders, 2014-07-30 This eagerly awaited study of Russia under Alexander I Nicholas I and Alexander II the Russia of War and Peace and Anna Karenina brings the series near to completion David Saunders examines Russia's failure to adapt to the era of reform and democracy ushered into the rest of Europe by the French Revolution Why despite so much effort did it fail This is a superb book both as a portrait of an age and as a piece of sustained historical analysis **V.F. Odoevsky** Neil Cornwell, 2015-11-19 Odoevsky 1804 1869 was a leading writer musicologist popular educator and public servant in Russia close to the major historical events of his period and acquainted with many of the leading personalities from Pushkin to Glinka to Turgenev Tolstoy and Tchaikovsky as well as Berlioz and Wagner Based upon published and unpublished sources in Russia and the West Cornwell paints a portrait of one of Russia's central figures though little known in the West **Discourse, Dictators and Democrats** Dr Richard D Anderson, Jr, 2014-05-28 Many people take the trouble to vote even though each voter's prospect of deciding the election is nearly nil Russians vote even when pervasive electoral fraud virtually eliminates even that slim chance Could people vote or protest because they stop considering their own chances and start to think about an identity shared with others With this in mind Discourse Dictators and Democrats presents a ground breaking theory of what language use does to politics **Discourse, Dictators and Democrats** Richard D. Anderson, 2016-05-23 Voting hides a familiar puzzle Many people take the trouble to vote even though each voter's prospect of deciding the election is nearly nil Russians vote even when pervasive electoral fraud virtually eliminates even that slim chance The right to vote has commonly been won by protesters who risked death or injury even though any one protester could have stayed home without lessening the protest's chance of success Could people vote or protest because they stop considering their own chances and start to think about an identity shared with others If what they hear or read affects political identity a shift in political discourse might not just evoke protests and voting but also make the minority that has imposed the dictator's will suddenly lose heart During the Soviet Union's final years the cues that set communist discourse apart from standard Russian sharply dwindled A similar

convergence of political discourse with local language has preceded expansion of the right to vote in many states around the globe Richard D Anderson Jr presents a groundbreaking theory of what language use does to politics *Informational Linguistics* Alexander Barkovich,2020-01-15 This book offers a systematic and multilayered description of the innovative scientific paradigm of informational linguistics Today communication is successful only as far as it is supported by the interpretation representation and modeling of information As such informational knowledge is in high demand particularly in the field of information technologies However any sphere of human activity needs a mastery of its conceptual apparatus and theoretical foundations Consequently this book is oriented toward improving the skills of structuring knowledge and distinguishing priorities

**Transnational Tolstoy** John Burt Foster, Jr.,2013-06-20 Transnational Tolstoy renews and enhances our understanding of Tolstoy s fiction in the context of World Literature a term that he himself used in *What is Art* It offers a fresh perspective on Tolstoy s fiction as it connects with writers and works from outside his Russian context including Stendhal Flaubert Goethe Proust Lampedusa and Mahfouz Foster provides an interlocking series of cross cultural readings ranging from nineteenth century Germany France and Italy through the rise of modernist fiction and the crisis of World War II to the growth of a worldwide literary outlook from 1960 onward He emphasizes Tolstoy s writings with the most consistent international resonance *War and Peace* and *Anna Karenina* two of the world s most compelling novels Transnational Tolstoy also discusses a shorter work *Hadji Murad* It shares the earlier novels historical sweep social breadth and subtle interplay among a large cast of characters Along with bringing Tolstoy s gifts to bear on a Muslim protagonist it also represents his most sustained attempt at world literature

**Translation and the Making of Modern Russian Literature** Brian James Baer,2015-11-19 Explores the complex role played by translation in the development of modern Russian literature and Russian national identity

Jehovah's Witnesses in Europe Gerhard Besier,Katarzyna Stokłosa,2021-08-18 The history of Jehovah s Witnesses in Europe has always been one of persecution This third volume documents this history turning eastward For the first time the circumstances of a religious minority under different political systems can be compared across the continent The studies gathered here provide insight into the methods of repression used by governments and mainstream churches the survival strategies of Jehovah s Witnesses and their various experiences under Eastern European dictatorships The initially cordial relationship with Jehovah s Witnesses that developed after 1990 has steadily reverted to religious discrimination culminating in Russia s renewed ban of Jehovah s Witnesses in 2017 and the confiscation of their properties By violating the universal human right of religious freedom the same conditions that prevailed in the Soviet era have now returned to modern Russia With severest discrimination and abusing jurisdictional procedures to reach their political aspirations the State tries to crush a religious community Against this background it is all the more important not to turn a blind eye to the situation of religious minorities in Eastern Europe but instead to take an honest public stance against it

*Public Debate in Russia* Vakhtin Nikolai Vakhtin,2016-07-08 Can we trace attempts taken in

Russian history to overcome the inability to speak publicly How do different social groups in modern Russia cope with situations when they have to participate in a public discussion and arrive at a compromise What historic sociological linguistic and psychological reasons underlie intolerance towards different opinions Can this situation be changed Bringing together an international team of leading historians sociolinguists and sociologists in this field this volume explores these questions from different methodological perspectives using various sets of data and examining the different domains of private public and official discourses Offering detailed case studies of the past and present communicative successes and failures in various social groups the book explores why Russian society is unable to reach a consensus through dialogue The first book to offer a detailed exploration of the condition of public debate in Russia this pioneering volume presents a truly interdisciplinary perspective on Russian language and society making it essential reading for advanced students and specialist in the fields of Slavic Studies Cultural Studies Sociolinguistics and Russian history politics and sociology

**Holy Foolishness** Harriet Murav, 1992 This book examines the ways in which Dostoevsky's adoption and reinvention of the medieval Russian holy fool in Russian Orthodoxy a person who feigned madness or folly as an ascetic feat of self humiliation serves as a locus for a critique of his culture's increasing reliance on the scientific paradigms of Claude Bernard's physiology and as a source of formal narrative innovation in his novels The author first explores the paradoxical hagiography of the holy fool whose saintly acts are disguised under the mask of demonic folly She then traces the rise of medical science in the nineteenth century and the increasing authority of the new scientific models of human behavior especially the all important notion of the normal and the pathological The book then shifts to close readings of four of Dostoevsky's major novels Crime and Punishment The Idiot The Devils and The Brothers Karamazov always keeping the double focus of cultural critique and formal innovation The author examines how Dostoevsky develops a specific literary procedure that is itself holy foolishness That is his novels in their structure and in particular in the voice of their narrators mislead tempt and scandalize the reader much like the street theater of the medieval holy fool This difficult relationship between reader and text is mirrored in what is represented in the text as the interaction between the holy fool and other characters In its theoretical orientation the book both builds from and criticizes Bakhtin's work on carnival The author offers a less optimistic account showing how in Dostoevsky carnival is more demonic than jubilant particularly in The Devils where carnival leads to a frightening chaos

*Books, Bulletins and Briefs, 1926-1958* Henry Harrison Bakken, 1926      **Problems of Communism**, 1965      **National Bureau of Standards Miscellaneous Publication**, 1952      NBS Special Publication, 1964      **Miscellaneous Publication - National Bureau of Standards** United States. National Bureau of Standards, 1934      **Foreign-language and English Dictionaries in the Physical Sciences and Engineering** Tibor W. Marton, 1964 The bibliography lists over 2800 unilingual bilingual and polyglot dictionaries glossaries and encyclopedias in the physical sciences engineering and technology published during the past twelve years The majority of the titles cited have English as the source or target

language or are dictionaries giving definitions in English The bibliographic entries are arranged in 49 subject classes within each subject the entries are listed alphabetically by language and within each language group by author Forty seven foreign languages are represented in the compilation Lists of abbreviations and reference sources and detailed author language and subject indexes complement the publication Author *The Gothic-Fantastic in Nineteenth-Century Russian Literature*, 2023-12-18 The BRILL series Studies in Slavic Literature and Poetics occupies a unique place in the academic and intellectual book market due to its emphasis on theoretically informed and interdisciplinary approaches to the study of Slavic literatures and cultures The series welcomes book proposals for monographs or edited volumes discussing questions of Slavic culture identity and history as expressed in literature film and other forms of cultural production Authors are cordially invited to submit proposals and or full manuscripts to the publisher at BRILL Masja Horn

## Reviewing **Slovar Inostrannykh Slov**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing.
