F. L. Buschkens,2012-12-06 1 1 General In this book the family life of the lower class Creole population of 1 Paramaribo will be discussed This group which will henceforward be referred to as the lower class Creoles possesses a West Indian family system implying that the latter display all the main characteristics of the Caribbean Afro American family The Creoles constitute a numerically important ethnic segment of the society of Surinam This society is composed of different ethnic groups comprising besides a handful of Amerindians an immigrant population including people from many different parts of the world It is made up of Creoles Indians or Hindustanis as they are called in Surinam Indonesians Javanese Chinese Europeans Lebanese and Bush Negroes the latter of whom still live predominantly in tribes The Creoles are the descendants of those Negro slaves brought to Surinam from Africa who did not escape from bondage by running away from the plantations into the Bush as their brothers the Bush Negroes did The circumstances under which the bulk of the slaves lived were appalling Nor were they or are they still in p at present much better for their descendants the lower class Creoles

Locked In, Locked Out Zaire Zenit Dinzey-Flores,2013-04-22 In November 1993 the largest public housing project in the Puerto Rican city of Ponce the second largest public housing authority in the U S federal system became a gated community Once the exclusive privilege of the city s affluent residents gates now not only locked undesirables out but also shut them in Ubiquitous and inescapable gates continue to dominate present day Ponce delineating space within government and commercial buildings schools prisons housing developments parks and churches In *Locked In Locked Out* Zaire Zenit Dinzey Flores shows how such gates operate as physical and symbolic ways to distribute power reroute movement sustain social inequalities and cement boundary lines of class and race across the city In its exploration of four communities in Ponce two private subdivisions and two public housing projects *Locked In Locked Out* offers one of the first ethnographic accounts of gated communities devised by and for the poor Dinzey Flores traces the proliferation of gates on the island from Spanish colonial fortresses to the New Deal reform movement of the 1940s and 1950s demonstrating how urban planning practices have historically contributed to the current trend of community divisions shrinking public city spaces and privatizing gardens Through interviews and participant observation she argues that gates have transformed the twenty first century city by fostering isolation and promoting segregation ultimately shaping the life chances of people from all economic backgrounds Relevant and engaging *Locked In Locked Out* reveals how built environments can create a cartography of disadvantage affecting those on both sides of the wall *Mothers in Poverty* F.G. Bailey,2017-07-05 Professor Kriesberg explores in this book the many myths about the poor the welfare dependents and the husbandless mothers The evidence marshalled does not

support the idea that people continue on welfare generation after generation that the children of broken families have disrupted marriages themselves that the poor seek out public housing and public assistance because they prefer such dependency or that husbandless mothers all have lower educational goals for their children than do married mothers Beginning with major theoretical issues Kriesberg developed hypotheses about the life of the poor and culture of poverty the hypotheses were tested with data from a study of families in public housing projects New Trends in Urban Planning Dan Soen, 2013-10-22 New Trends in Urban Planning Studies in Housing Urban Design and Planning presents the trends in urban planning with a wide array of theory and practice in various countries This book deals with the overall problems facing urban planners in their striving at an enhanced quality of life in human settlements Organized into seven panels encompassing 29 chapters this book begins with an overview of the planning aspects of a general nature This text then highlights some of the important trends in the recent change of focus due to the view that the settlement is a better contemporary definition than urban planning Other chapters consider that the theory and practice of urban planning is found to be inadequate for the purpose of remedying deficiencies in urban areas The final chapter deals with the specific developments that are taking place in Israel and elsewhere This book is a valuable resource for teachers practitioners researchers administrators and politicians
