William Joseph Harding King, 1925      The Towers The Fields The Transmitters David Keenan, 2020-10-29 A businessman experiences a breakdown when he arrives in the town of St Andrews on the east coast of Scotland in order to audit a military air base Obsessed by his estranged daughter who he believes is walking the streets at night the unnamed businessman starts to look to art and ritual in order to redeem this new reality even as time itself appears out of joint as old WWII fighters appear in the skies and his twin brother his double or personal daemon wreaks havoc in his name *The Towers The Fields The Transmitters* is a magical novel that channels the surreal paranoia of Kafka Burroughs Bola o and Philip K Dick while asking big questions about the nature of art its ability to re frame reality and its moral culpability in aestheticizing suffering and despair Written in a high octane style and with a visionary sleight of hand that digs deep textual tunnels between *Xstabeth* and itself *The Towers The Fields The Transmitters* is the next stage in Keenan's radical re thinking of the possibilities of the modern novel      **Martha By-the-day** Julie M. *Up from the Abyss* Italo Savella, 2005-07 I assure you though there is nothing trite about coming down with Guillain Barré syndrome For the person hit by it's war and revolution wrapped in one A catastrophe an upheaval a devastating blow But also an invaluable experience and a possibility for renewal I wouldn't

be what I am now a man at peace with himself and the world had I not come down with and fought back from this terrible ailment But I don't want to sound excessive It isn't terminal cancer at young age or trauma induced coma and vegetative state but as Joseph Heller said it's no laughing matter either The blessing about Guillain Barré syndrome and I mean that with only a little bit of irony is that it doesn't affect the gray matter upstairs You know it's bad but you also know it can be defeated and the struggle to overcome it lends a tremendous meaning of truthfulness to the old saying That which does not kill you You know the rest It can paralyze you completely and occasionally do you in but the road back or as I imply in my title the uphill struggle from the abyss is Herculean and character forming

**Unfair & Unbalanced** Patrick M. Carlisle, 2004 Called by readers blazingly funny divinely inspired breathtaking sophisticated original deranged a brilliant intellect wasted and a comedic genius if one could stew Dave Barry Hunter Thompson Al Franken and David Sedaris down into a thick tasty ragout which might then be served over noodles that might begin to approximate the unexpectedly hilarious experience of reading Patrick Carlisle In a

thoroughly questionable and highly refutable manner with wildly fluctuating amounts of insight and sensitivity Mr Carlisle examines such irrational topics of modern identity as internet dating the fanatic right wing the dark dangerous appeal of Meg Ryan the unfathomable motivations behind the comb over the mysterious banana test first love antidepressants and the heartbreaking challenge of being a Yum Brands Man Pessimistic but full of longing immersed in popular culture but oddly erudite manic and depressive in turn deeply and absurdly tangential profoundly deluded and yet uncomfortably honest liberal but utterly politically incorrect most importantly in the words of one reviewer Patrick Carlisle is so horribly mind bogglingly funny
