McCormick, 2000 Salt Lake City is no ordinary place Its hard gutted individuality as Western historian Dale L Morgan called it gives it a contradictory charm The city has an extraordinary and complicated past full of paradoxes and irresolution about its image This is the story of a frontier outpost founded as a haven for religious refugees

that eventually becomes a melting pot for different kinds of people different voices experiences points of view traditions values and ways of life In fact the city has emerged from the crucible of conflict based partly on religion but also on race class distinction and gender The author s goal in his thought provoking overview accented by 125 historical photographs is not to shift from the feel good emphasis of traditional photo histories but to augment that approach with information about societal change a history of groups and traditions and of the ideas and experiences that have made the city what it is today

Greek-American Review ,2000 The magazine promotes the progress of the Greek American community and the achievements of individual Greek Americans in all fields It focuses on Greek history literature culture the presence and contributions of Greek Americans to the economy and society contemporary issues and relations between the USA and Greece
