Education Program Nature means the same as Community of Life This Community of Life is composed of humans water land air animals insects worms organisms plants life fostering elements like earth water energy sun air space and the rest of the universe What is shared in common in the Community of Life is existence isness being We are inseparably held as one by existence or being In other words we are not isolated or disconnected individuals who stand apart from each other or from the organic whole that is Nature Whatever happens to Nature as a whole impacts us all When we recognize and honor the being or existence that we share in common we respect Nature instead of exploiting it The common ground that affirms this Community of Life is the unified and unifying Principle which is composed of seven aspects that are written as one word TruthLovePeaceGoodnessBeautyWisdomHappiness or briefly as TruthLovePeace Since TruthLovePeace cannot coexist with falsehood injustice exploitation hatred cruelty and turmoil we find that GoodnessBeautyWisdomHappiness is also absent where TruthLovePeace is missing Taking a closer look we find that humans on the whole value having TruthLovePeace in their lives and in the lives of those they hold near and dear to them In recognition of the commonality shared by humanity and the rest of Nature the Sol Education Program uses The Principle TruthLovePeace as its foundation The Program therefore commences by establishing its Sol Community Sol Villages Sol Homes and activities on The Principle TruthLovePeaceGoodnessBeautyWisdomHappiness In its learning and teaching ways Sol Education incorporates the learner centered the inquiry based and the learner participatory approaches Each member of the Sol Community Student Parent adopted Grandparent Teacher Professor Peer Advisor and Educator is viewed as both a Learner and a Teacher in the Community of Life All Sol Members as Learners and Teachers are encouraged to express their benevolent high Self in all daily interactions and activities by affirming The Principle TruthLovePeace In other words all Sol Members are regarded as Keepers of The Principle TruthLovePeace thus making selfless Service or Labor of Love the beating heart of Sol Community Every Sol Elder Teacher Professor Peer Advisor Educator and adopted Sol Grandparent is to exemplify Respectfulness in action so that our children and youth can experience the meaning of Respect and Appreciation This Respect and Appreciation for all includes tapping lightly from the bounty of Nature without harming others or taking more than we need **World 2.0**

Shuichi Fukuda,2020-08-18 This book explores on how the Internet of Things IoT will change society by bringing living and non living things together The IoT is currently attracting considerable attention but most of the discussions focus on engineering aspects alone The IoT however is not an extension of traditional engineering where humans and machines are separated Instead it connects humans and machines enabling them to work together as a team the IoT Connected Society In traditional engineering our knowledge and experience of physical and non living things plays a key role but such knowledge and experience alone are not enough We need to introduce life science approaches and integrate them into physical science to really develop the IoT connected society In addition the Internet is not only a tool for delivering messages it is a broader communication tool In the IoT connected society living things and non living things communicate in complex ways Machines

1 Introduction 2 Emerging Industrial Revolution 3 IoT What makes it different from the past revolutions 4 World is changing 5 Engineering How It was developed so far 6 Humans Their characteristics 7 Value is changing 8 Adaptive team organization and management 9 Integration of Physical Science and Life Science 10 Summary can provide humans with a improved situational awareness and advice and together they can communicate to develop a better happier society Thus this book makes the case that to make the IoT connected society a reality we need to integrate the physical and life sciences and develop a new science for the next generation of engineering
