Fike,2013-10-08 The One Mind C G Jung and the Future of Literary Criticism explores the implications of C G Jung s unus mundus by applying his writings on the metaphysical the paranormal and the quantum to literature As Jung knew everything is connected because of its participation in universal consciousness which encompasses all that is including the collective unconscious Matthew A Fike argues that

this principle of unity enables an approach in which psychic functioning is both a subject and a means of discovery psi phenomena evoke the connections among the physical world the psyche and the spiritual realm Applying the tools of Jungian literary criticism in new ways by expanding their scope and methodology Fike discusses the works of Hawthorne Milton Shakespeare Wordsworth and lesser known writers in terms of issues from psychology parapsychology and physics Topics include the case for monism over materialism altered states of consciousness types of psychic functioning UFOs synchronicity and space time relativity The One Mind examines Goodman Brown s dream Adam s vision in Paradise Lost the dream sequence in The Wanderer the role of metaphor in Robert A Monroe s metaphysical trilogy Orfeo Angelucci s work on UFOs and the stolen boat episode in Wordsworth s The Prelude The book concludes with case studies on Robert Jordan and William Blake Considered together these readings bring us a significant step closer to a unity of psychology science and spirituality The One Mind illustrates how Jung s writings contain the seeds of the future of literary criticism Reaching beyond archetypal criticism and postmodern theoretical approaches to Jung Fike proposes a new school of Jungian literary criticism based on the unitary world that underpins the collective unconscious This book will appeal to scholars of C G Jung as well as students and readers with an interest in psychoanalysis literature literary theory and the history of ideas *I Been in Sorrow's Kitchen and Licked Out All the Pots* Susan Straight,2019-10-22 Straight s portrayal of a black woman s life is nearly miraculous in its astonishing richness of detail its emotional honesty and its breadth of human thought and feeling USA Today Evoking the Gullah speaking 1950s community of Pine Gardens South Carolina I Been in Sorrow s Kitchen and Licked Out All the Pots follows Marietta Cook a maid with a growing interest in the civil rights movement as she raises talented twin boys destined for pro football glory and comes to find peace in an often unjust world Imbued with extraordinary resilience and joy Susan Straight s debut is a celebration of an extraordinary soul and a novel with a beautifully vivid sense of place *The Philippine Islands, 1493-1898.
