**Socialist Agriculture In Transition** Joseph C Brada,Karl-Eugen Wadekin,2019-07-11 Because of altered investment priorities policymakers in socialist countries can no longer increase the resources devoted to agriculture as they have in the past Instead they must seek alternative means of improving agricultural performance One approach has been to change the structure of socialist agriculture and to foster organizational changes within agricultural units The contributors to this volume evaluate such reforms and weigh their implications for agricultural output and trade They examine the normless links being introduced in the USSR and compare Soviet experiences with the successes of Chinese and Hungarian reorganizations describe and analyze the changes being implemented in the German Democratic Republic Yugoslavia and Vietnam and pay

particular attention to the role of Polish agriculture in the production crisis and to agriculture's potential for improving Poland's overall economic performance. The contributors also address issues of infrastructure development, the incentives being developed to foster more efficient allocation of resources within the agricultural sector, and the likely growth of East-West and intra-socialist agricultural trade.

**Belt And Road Initiative And The World's Largest Small Commodity Market, The: Yiwu Business Circle** Lijun Lu, 2020-01-15

Located in the central Zhejiang province, Yiwu is a mountainous region originally inhabited by farmers. The poverty-stricken land left farmers with no option but commercial trading for a living. The city has a long history of being a hub for commercial trade. In the last two decades, the Yiwu international trade market has grown to be the world's largest small commodities market. This book studies the rapid development of Yiwu Business Circle in the past two decades. Based on field research, the book analyzes the Yiwu Business Circle from different levels such as the market system, supporting industry, merchant group, and logistics network. The book also reveals the challenges and opportunities posed to Yiwu Business Circle by the Belt and Road Initiative. It explores how the Yiwu Business Circle will contribute to the Belt and Road Initiative by utilizing its strong business, logistics, capital, and information flow platform that is established and shared by global manufacturers and merchants.
