Upgraded Chef: 12 Core Recipes to Supercharge Your Body & Brain Dave Asprey, 2012-09-11 ABOUT THE BOOK This cookbook has been a decade in the making As a bio hacker I look at cooking as one of the variables that leads to better personal performance It's not just the quality of your food it's how it's prepared Being upgraded I take this stuff more personally than most people for good reason This is the diet that helped me lose 100 lbs and keep it off since the late 90s This is the diet that fixed and upgraded my brain function It s the basis of the diet I created to help my wife Lana a Karolinska trained physician restore her fertility so we could start a family at about age 40 after Lana was diagnosed with polycystic ovary syndrome PCOS by her OB GYN who said she d likely be infertile This is literally the diet that transformed my health my family my career and my life Bulletproofing yourself More than 100 000 people come to my blog every month to learn about how to eat to upgrade their bodies their brains and their lives You can see their unsolicited testimonials on the site people who lose 20 or more pounds in 6 weeks without cutting calories The guy who lost 75 pounds in 75 days The physicians who use it in their practices This recipe book isn t going to teach you everything you need to know about the Bulletproof Diet or even all the ways it works You can find this info for free on Bulletproofexec com where it can help the most people Fuel your body with upgraded food This recipe book is going to teach you how to use safe delicious cooking techniques to prepare meals that taste amazing but also fuel your body and mind to levels of performance beyond what you probably believe you re capable of We focus on three main types of cooking because they are the most versatile flavorful simple ways to create Bulletproof food Bulletproof food is high in healthy fats 50 70% of calories and avoids toxic foods and other toxins created by cooking These small details can make all the difference in your health They did for me EXCERPTS FROM THE BOOK These 5 Indian spices make a popular spice mix known as Panch Poron Make up a triple batch of the seed blend it s lovely you ll use it Bring meats fish eggs to room temp before using find out why on pages 53 54 56 Bacon is an amazing food to cook with The problem is that the quality of your bacon is very important Average store quality bacon comes from animals fed an unsuitable diet and the bacon is often cured in such a way that it contains more toxins that it should Read more about bacon on page 51 Buy the book to read more Creative Fitness Henry B. Biller, 2002-05-30 Biller integrates research about exercise nutrition and health within an applied developmental psychological framework Readers are presented with ways of making fitness an enjoyable and positive force in their daily lives Although a major focus is on how to get in shape Biller's primary mission is to encourage a healthy lifestyle that enriches self awareness and personal growth The goal is not just to facilitate physical fitness but to enhance overall life satisfaction The book s uniqueness accordingly lies in its ability to help individuals develop a creative playful approach to fitness in all spheres of their lives

While some readers are just beginning to think about fitness because of a desire to lose weight and improve their appearance others are more interested in refining their athletic skills or achieving a greater balance in their daily activities Dedicated exercisers often are striving for new routines and ways to prevent burnout Many parents moreover are searching for activities to help their children as well as themselves become more fit Older individuals are especially likely to be concerned about staying healthy and avoiding physical dependence as they age Biller speaks to all these concerns and all these groups by providing an approach to getting in shape that enriches self understanding and mental vitality The Complete Idiot's Guide to Overcoming Procrastination L. Michelle Tullier, 1999 Offers advice on how to deconstruct unproductive work habits improve time management and increase productivity at work and at home Ride Right with Daniel Stewart Daniel Stewart, 2015-07-01 Riders are athletes in the truest sense of the word yet the majority of them fail to treat themselves as such Most riders would never consider working a horse without first warming it up but fail to treat their own bodies with the same respect Daniel Stewart's Ride Right system will improve rider and horse performance simply by showing riders how to improve themselves There are three main phases in the Ride Right system Rider biomechanics the how and why of balance posture symmetry and body awareness strength stamina and suppleness The conditioning of the rider's body with specially designed stretching and fitness exercises rider frame of mind Sports psychology relaxation and visualization All these elements together with good health and nutrition will show riders how to excel Life Begins at Sixty Joan Frentz, 2004-08

Healing Logics Erika Brady, 2001-04-01 Scholars in folklore and anthropology are more directly involved in various aspects of medicine such as medical education clinical pastoral care and negotiation of transcultural issues than ever before Old models of investigation that artificially isolated folk medicine complementary and alternative medicine and biomedicine as mutually exclusive have proven too limited in exploring the real life complexities of health belief systems as they observably exist and are applied by contemporary Americans Recent research strongly suggests that individuals construct their health belief systmes from diverse sources of authority including community and ethnic tradition education spiritual beliefs personal experience the influence of popular media and perception of the goals and means of formal medicine Healing Logics explores the diversity of these belief systems and how they interact in competing conflicting and sometimes remarkably congruent ways This book contains essays by leading scholars in the field and a comprehensive bibliography of Food and You Marjolijn Bijlefeld, Sharon K. Zoumbaris, 2001-05-30 What is the BMI How much folklore and medicine should I be eating Do I really need to exercise Find the answers to these questions and other food body and health questions in this guide to understanding the fundamentals of good nutrition and its partner for optimum health physical activity Healthy eating can be a habit and good habits started earlier in life are easier to maintain Good nutrition and physical activity complement each other in weight loss cardiovascular health and other benefits This book provides the advice you need on how to get the most out of what you eat and how to develop healthier habits that will help keep you fit for a lifetime
