become an expert at yard sales sifting through the detritus of other folks lives then reselling it to shops that sell antiques and assorted collectibles Her sister Earlene considers Carrie a junk collector but then Earlene has devoted her life to being conventional Married with two boys she has remained in Oysterback where she and her husband run the View n Chew a combination video store sandwich shop Momma had lived by the notion that a woman is incomplete without a man and spent the years following her husband s death trying to be as complete as humanly possible in the process working her way through a whole parade of men As best Carrie can figure her momma s last two flames were Alonzo Deaver the town s resident miscreant and a current resident of the state penitentiary and Jack Shepherd a college professor on the run from failure and boredom Both had been granted carte blanche to crash at Momma s house whenever the occasion should arise be it Alonzo s planned escape from prison or Jack s escape from his ratty little boat Once back in Oysterback Carrie finds herself unwittingly caught up in a family drama of epic proportions including Earlene s resentment which leads to a classic and very messy confrontation a now married ex boyfriend s attempt to rekindle an old flame her own attraction to Professor Jack and a roiling stew of anger and grief over Momma s poorly timed passing For while Carrie never expected to go home again she naively believed it always would be there A Whole World of Trouble is a delightfully authentic comedy of Southern manners and an antic frequently hilarious pointed and moving novel by a writer who knows the people and the world she writes about
