Chicagoans and the Great Fire, 1871-1874

KAREN SAWISLAK

# Smoldering City Chicagoans And The Great Fire 1871 1874

**Barbara L. Bellows**

### **Smoldering City Chicagoans And The Great Fire 1871 1874:**

**Smoldering City** Karen Sawislak, 1996-12-15 The fateful kick of Mrs O Leary's cow the wild flight before the flames the astonishingly quick rebuilding these are the well known stories of the Great Chicago Fire of 1871 But as much as Chicago's recovery from disaster was a remarkable civic achievement the Great Fire is also the story of a city's people divided and at odds This is the story that Karen Sawislak tells so revealingly in this book In a detailed account drawn on memoirs private correspondences and other documents Sawislak chronicles years of widespread sometimes bitter social and political conflict in the fire's wake from fights over relief soup kitchens to cries against profiteering and marches on city hall by workers burned out of their homes She shows how through the years of rebuilding the people of Chicago struggled to define civic order and the role that good citizens would play within it As they rebuilt she writes Chicagoans confronted hard questions about charity and social welfare work and labor relations morality and the limits of state power Their debates in turn exposed the array of values and interests that different class ethnic and religious groups brought to these public discussions Sawislak combines the copious detail of a historian with the vivid portrayals of a storyteller in her investigation of the infamous Chicago fire Highlighted by historical maps plates and engravings with an epilogue and notes **Smoldering City** presents an extremely thorough and engaging study of this extraordinary disaster Publishers Weekly

**Tales of Forgotten Chicago** Richard C Lindberg, 2020-07-24 Hidden gems from Chicago's past **Tales of Forgotten Chicago** contains twenty one fascinating little known stories about a great city and its people Richard C Lindberg has dug deeply to reveal lost historical events and hidden gems from Chicago's past Spanning the Civil War through the 1960s the volume showcases forgotten crimes punishments and consequences poisoned soup that nearly killed three hundred leading citizens politicians and business and religious leaders a woman in showbiz and her street thug husband whose checkered lives inspired a 1955 James Cagney movie and the first police woman in Chicago hired as a result of the senseless killing of a young factory girl in a racially tinged case of the 1880s Also included are tales of industry and invention such as America's first automobile race the haunting of a wealthy Gilded Age manufacturer's mansion and the identity of the telephone's rightful inventor Chapters on the history of early city landmarks spotlight the fight to save Lakefront Park and how Lucky Charlie Weeghman's north side baseball park became Wrigley Field Other chapters explore civic cultural and political happenings the great Railroad Fairs of 1948 and 1949 Richard J Daley's revival of the St Patrick's Day parade political disrupter Lar America First Daly and the founding of the Special Olympics in Chicago by Anne Burke and others Finally some are just wonderful tales such as a touching story about the sinking of Chicago's beloved Christmas tree ship Engrossing and imaginative this collection opens new windows into the past of the Windy City

**The Environment and the People in American Cities, 1600s-1900s** Dorceta E. Taylor, 2009-11-23 This wide ranging study of urban environmental history draws our attention to environmental challenges faced by American cities over the past four centuries showing how understandings of race class and gender shape

discourse on the environment      *The Great Earthquake and Firestorms of 1906* Philip L. Fradkin, 2005 In this well researched book Fradkin contends that it was the people of San Francisco not the forces of nature who were responsible for the extent of the destruction and death Booklist      **City of the Century** Donald L. Miller, 2014-04-09 A wonderfully readable account of Chicago's early history and the inspiration behind PBS's American Experience Michiko Kakutani The New York Times Depicting its turbulent beginnings to its current status as one of the world's most dynamic cities City of the Century tells the story of Chicago and the story of America writ small From its many natural disasters including the Great Fire of 1871 and several cholera epidemics to its winner take all politics dynamic business empires breathtaking architecture its diverse cultures and its multitude of writers journalists and artists Chicago's story is violent inspiring passionate and fascinating from the first page to the last The winner of the prestigious Great Lakes Book Award given to the year's most outstanding books highlighting the American heartland City of the Century has received consistent rave reviews since its publication in 1996 and was made into a six hour film airing on PBS's American Experience series Written with energetic prose and exacting detail it brings Chicago's history to vivid life With City of the Century Miller has written what will be judged as the great Chicago history John Barron Chicago Sun Times Brims with life with people surprise and with stories David McCullough Pulitzer Prize winning author of John Adams and Truman An invaluable companion in my journey through Old Chicago Erik Larson New York Times bestselling author of The Devil in the White City      **The Great Chicago Fire and the Myth of Mrs. O'Leary's Cow** Richard F. Bales, 2015-09-01 The Great Chicago Fire of 1871 swallowed up more than three square miles in two days leaving thousands homeless and 300 dead Throughout history the fire has been attributed to Mrs O Leary an immigrant Irish milkmaid and her cow On one level the tale of Mrs O Leary's cow is merely the quintessential urban legend But the story also represents a means by which the upper classes of Chicago could blame the fire's chaos on a member of the working poor Although that fire destroyed the official county documents some land tract records were saved Using this and other primary source information Richard F Bales created a scale drawing that reconstructed the O Leary neighborhood Next he turned to the transcripts more than 1 100 handwritten pages from an investigation conducted by the Board of Police and Fire Commissioners which interviewed 50 people over the course of 12 days The board's final report published in the Chicago newspapers on December 12 1871 indicates that commissioners were unable to determine the cause of the fire And yet by analyzing the 50 witnesses testimonies the author concludes that the commissioners could have determined the cause of the fire had they desired to do so Being more concerned with saving their own reputation from post fire reports of incompetence drunkenness and bribery the commissioners failed to press forward for an answer The author has uncovered solid evidence as to what really caused the Great Chicago Fire      **Eco Culture** Robert Bell, Robert Ficociello, 2017-11-15 The edited collection Eco Culture Disaster Narrative Discourse opens a conversation about the mediated relationship between culture and ecology The dynamic between these two great forces comes into stark relief when

a disaster in its myriad forms and narratives reveals the fragility of our ecological and cultural landscapes Disasters are the clashing of culture and ecology in violent and tragic ways and the results of each clash create profound effects to both So much so in fact that the terms ecology and culture are past separation We are far removed from their prior historical binaric connection and they coincide through a supplementary role to each other Ecology and culture are unified **Empire City** David M. Scobey,2002 For generations New Yorkers have joked about The City s interminable tearing down and building up The city that the whole world watches seems to be endlessly remaking itself When the locals and the rest of the world say New York they mean Manhattan a crowded island of commercial districts and residential neighborhoods skyscrapers and tenements fabulously rich and abjectly poor cheek by jowl Of course it was not always so New York s metamorphosis from compact port to modern metropolis occurred during the mid nineteenth century Empire City tells the story of the dreams that inspired the changes in the landscape and the problems that eluded solution Author David Scobey paints a remarkable panorama of New York s uneven development a city building process careening between obsessive calculation and speculative excess Envisioning a new kind of national civilization bourgeois urbanists attempted to make New York the nation s pre eminent city Ultimately they created a mosaic of grand improvements dynamic change and environmental disorder Empire City sets the stories of the city s most celebrated landmarks Central Park the Brooklyn Bridge the downtown commercial center within the context of this new ideal of landscape design and a politics of planned city building Perhaps such an ambitious project for guiding growth overcoming spatial problems and uplifting the public was bound to fail still it grips the imagination Unpopular Culture Martin Luthe,Sascha Pohlmann,2025-10-01 This volume introduces a new concept that boldly breaks through the traditional dichotomy of high and low culture while offering a fresh approach to both unpopular culture From the works of David Foster Wallace and Ernest Hemingway to fanfiction and The Simpsons from natural disasters to 9 11 and beyond the essays find the unpopular across media and genres analysing the politics and aesthetics of a side to culture that has been overlooked by previous theories and methods in cultural studies *A City for Children* Marta Gutman,2014-09-19 We like to say that our cities have been shaped by creative destruction the vast powers of capitalism to remake cities But Marta Gutman shows that other forces played roles in the late nineteenth and early twentieth centuries as cities responded to industrialization and the onset of modernity Gutman focuses on the use and adaptive reuse of everyday buildings and most tellingly she reveals the determinative roles of women and charitable institutions In Oakland Gutman shows private houses were often adapted for charity work and the betterment of children in the process becoming critical sites for public life and for the development of sustainable social environments Gutman makes a strong argument for the centrality of incremental construction and the power of women run organizations to our understanding of modern cities *John Singer Sargent & Chicago's Gilded Age* Annelise K. Madsen,Mary Broadway,2018-01-01 An examination of how the work of the American painter John Singer Sargent was displayed collected

and influential in the civic and cultural development of Chicago Illinois during the late nineteenth and early twentieth centuries      *Slumming* Chad Heap,2008-11-15 During Prohibition Harlem was the in place to go for music and booze recalled the African American chanteuse Bricktop Every night the limousines pulled up to the corner and out spilled affluent whites looking for a good time great jazz and the unmatched thrill of doing something disreputable That is the indelible public image of slumming but as Chad Heap reveals in this fascinating history the reality is that slumming was far more widespread and important than such nostalgia tinged recollections would lead us to believe From its appearance as a fashionable dissipation centered on the immigrant and working class districts of 1880s New York through its spread to Chicago and into the 1930s nightspots frequented by lesbians and gay men *Slumming* charts the development of this popular pastime demonstrating how its moralizing origins were soon outstripped by the artistic racial and sexual adventuring that typified Jazz Age America Vividly recreating the allure of storied neighborhoods such as Greenwich Village and Bronzeville with their bohemian tearooms rent parties and black and tan cabarets Heap plumbs the complicated mix of curiosity and desire that drew respectable white urbanites to venture into previously off limits locales And while he doesn't ignore the role of exploitation and voyeurism in slumming or the resistance it often provoked he argues that the relatively uninhibited mingling it promoted across bounds of race and class helped to dramatically recast the racial and sexual landscape of burgeoning U S cities Packed with stories of late night dance drink and sexual exploration and shot through with a deep understanding of cities and the habits of urban life *Slumming* revives an era that is long gone but whose effects are still felt powerfully today      **Thunder in the Mountains** Daniel J. Sharfstein,2017-04-04 Beautifully wrought and impossible to put down Daniel Sharfstein's *Thunder in the Mountains* chronicles with compassion and grace that resonant past we should never forget Brenda Wineapple author of *Ecstatic Nation* Confidence Crisis and Compromise 1848 1877 After the Civil War and Reconstruction a new struggle raged in the Northern Rockies In the summer of 1877 General Oliver Otis Howard a champion of African American civil rights ruthlessly pursued hundreds of Nez Perce families who resisted moving onto a reservation Standing in his way was Chief Joseph a young leader who never stopped advocating for Native American sovereignty and equal rights *Thunder in the Mountains* is the spellbinding story of two legendary figures and their epic clash of ideas about the meaning of freedom and the role of government in American life      *The ^ARepublic for Which It Stands* Richard White,2017-08-04 The newest volume in the Oxford History of the United States series *The Republic for Which It Stands* argues that the Gilded Age along with Reconstruction its conflicts rapid and disorienting change hopes and fears formed the template of American modernity      **Sundays at Sinai** Tobias Brinkmann,2012-06-26 First established 150 years ago Chicago Sinai is one of America's oldest Reform Jewish congregations Its founders were upwardly mobile and civically committed men and women founders and partners of banks and landmark businesses like Hart Schaffner Marx Sears Roebuck and the giant meatpacking firm Morris Co As explicitly modern Jews Sinai's members supported and led civic

institutions and participated actively in Chicago politics Perhaps most radically their Sunday services introduced in 1874 and still celebrated today became a hallmark of the congregation In Sundays at Sinai Tobias Brinkmann brings modern Jewish history immigration urban history and religious history together to trace the roots of radical Reform Judaism from across the Atlantic to this rapidly growing American metropolis Brinkmann shines a light on the development of an urban reform congregation illuminating Chicago Sinai s practices and history and its contribution to Christian Jewish dialogue in the United States Chronicling Chicago Sinai s radical beginnings in antebellum Chicago to the present Sundays at Sinai is the extraordinary story of a leading Jewish Reform congregation in one of America s great cities This Gulf of Fire Mark Molesky,2015-11-03 Winner of the Phi Alpha Theta Best Subsequent Book Award Finalist Los Angeles Times Book Prize The captivating and definitive account of the most consequential natural disaster of modern times On All Saints Day 1755 tremors from an earthquake measuring perhaps 9 0 or higher on the moment magnitude scale swept furiously from their origin along the Atlantic seabed toward the Iberian and African coasts Directly in their path was Lisbon then one of the wealthiest cities in the world and the capital of a vast global empire Within minutes much of the city lay in ruins But this was only the beginning A half hour later a giant tsunami unleashed by the quake smashed into Portugal s coastline and barreled up the Tagus River carrying countless thousands out to sea By day s end the great wave chain would claim victims on four separate continents To complete Lisbon s destruction a hellacious firestorm then engulfed the city s shattered remains Subjecting survivors to temperatures exceeding 1 832 F 1 000 C it burned for several weeks killing thousands and incinerating much of what the earthquake and tsunami had spared Drawing on a wealth of new sources the latest scientific research and a sophisticated grasp of European history Mark Molesky gives us the authoritative account of the Great Lisbon Disaster and its impact on the Western world including descriptions of the world s first international relief effort the rise of a brutal yet modernizing dictatorship in Portugal and the effect of the disaster on the spirit and direction of the European Enlightenment Much more than a chronicle of destruction This Gulf of Fire is at its heart a gripping human drama involving an array of unforgettable characters such as the Marqu s de Pombal the once slighted striver who sees in the chaos his path to supreme power and Gabriel Malagrida the charismatic Jesuit whose view that the earthquake was a punishment sent by God leads inexorably to his demise There is Dom Jos the unremarkable king of Portugal who stands by his people in their moment of greatest need but ultimately abandons them to the tyranny of his first minister There is Kitty Witham the plucky English nun who helps her fellow sisters escape from their collapsing convent and Manoel Portal the Oratorian priest who flees the burning capital on his broken leg and goes on to write one of the definitive accounts of the disaster Philosophers kings poets emperors scientists scoundrels journalists and monkeys all make their appearance in this remarkable narrative of the mid eighteenth century **Two Charlestonians at War** Barbara L. Bellows,2018-02-21 Tracing the intersecting lives of a Confederate plantation owner and a free black Union soldier Barbara L Bellows Two Charlestonians at War offers a poignant

allegory of the fraught interdependent relationship between wartime enemies in the Civil War South Through the eyes of these very different soldiers Bellows brings a remarkable new perspective to the oft told saga of the Civil War Recounted in alternating chapters the lives of Charleston natives born a mile apart Captain Thomas Pinckney and Sergeant Joseph Humphries Barquet illuminate one another's motives for joining the war as well as the experiences that shaped their worldviews Pinckney a rice planter and scion of one of America's founding families joined the Confederacy in hope of reclaiming an idealized agrarian past and Barquet a free man of color and brick mason fought with the Union to claim his rights as an American citizen Their circumstances set the two men on seemingly divergent paths that nonetheless crossed on the embattled coast of South Carolina Born free in 1823 Barquet grew up among Charleston's tight knit community of the colored elite During his twenties he joined the northward exodus of free blacks leaving the city and began his nomadic career as a tireless campaigner for black rights and abolition In 1863 at age forty he enlisted in the 54th Massachusetts Volunteer Infantry the renowned Glory regiment of northern black men His varied challenges and struggles including his later frustrated attempts to play a role in postwar Republican politics in Illinois provide a panoramic view of the free black experience in nineteenth century America In contrast to the questing Barquet Thomas Pinckney remained deeply connected to the rice fields and maritime forests of South Carolina He greeted the arrival of war by establishing a home guard to protect his family's Santee River plantations that would later integrate into the 4th South Carolina Cavalry After the war Pinckney distanced himself from the racist violence of Reconstruction politics and focused on the daunting task of restoring his ruined plantations with newly freed laborers The two Charlestonians chance encounter on Morris Island where in 1864 Sergeant Barquet stood guard over the captured Captain Pinckney inspired Bellows compelling narrative Her extensive research adds rich detail to our knowledge of the dynamics between whites and free blacks during this tumultuous era Two Charlestonians at War gives readers an intimate depiction of the ideological distance that might separate American citizens even as their shared history unites them

**Historical Dictionary of the Gilded Age** Leonard C. Schlup, James Gilbert Ryan, 2003 Covers all the people events movements subjects court cases inventions and more that defined the Gilded Age

Michael Harvey Thrillers 2-Book Bundle Michael Harvey, 2011-06-15 Here are his first two explosive neo noir thrillers The Chicago Way and The Fifth Floor together in one eBook with a bonus excerpt from We All Fall Down the latest installment due out in hardcover in summer 2011 See why Michael Harvey's tough talking ex cop turned private investigator Michael Kelly has been called Chicago's answer to Raymond Chandler The Chicago Way PI Michael Kelly usually persona non grata with law enforcement is hired by his former partner John Gibbons to look into the rape and battery case John was instructed to leave open eight years earlier The very next day Kelly finds Gibbons dead To close both cases Kelly will have to face the mob a serial killer and something rotten behind police lines The Fifth Floor When PI Kelly is hired by a girlfriend to trail an abusive husband he doesn't expect to stumble across a corpse and perhaps the answer to one of Chicago's most

enduring mysteries The ensuing investigation takes Kelly to places he'd rather not go specifically to City Hall where he gets embroiled in a scam that stretches from current politics back to the night of Chicago's Great Fire to face a killer bent on rewriting history     The Type V City Jeana Ripple, 2025 How building codes shaped material social and environmental landscapes in American cities

## Reviewing **Smoldering City Chicagoans And The Great Fire 1871 1874**: Unlocking the Spellbinding Force of Linguistics
