Some Doves Pythons:

The Uncoiling Python Harold Scheub, 2010-06-05 There are many collections of African oral traditions but few as carefully organized as *The Uncoiling Python* Harold Scheub one of the world's leading scholars of African oral traditions and folklore explores the ways in which oral traditions have served to combat and subvert colonial domination in South Africa From the time colonial forces first came to southern Africa in 1487 oral and written traditions have been a bulwark against what became 350 years of colonial rule characterized by the racist policies of apartheid *The Uncoiling Python* South African Storytellers and Resistance is the first in depth study of oral tradition as a means of survival In open insurrections and other subversive activities Africans resisted the daily humiliations of colonial rule but perhaps the most effective and least apparent expression of subversion was through indigenous storytelling and poetic traditions Harold Scheub has collected the stories and poetry of the Xhosa Zulu Swati and Ndebele peoples to present a fascinating analysis of how the apparently harmless tellers of tales and creators of poetry acted as front line soldiers Australian Literary Manuscripts in North American Libraries Nan Bowman Albinski, 1997 **Trouble** Kate Jennings, 2010-10-08 In 1970 Kate Jennings twenty one stunned a Sydney anti war rally with a pull no punches speech that put women's lib on the map Brave impassioned and searing the speech set the tone for the idiosyncratic career that was to follow A few years later she was on her way to New York where she would make her name as a writer and enjoy a ringside seat at some of the most confronting events of our time *Trouble* collects Jennings's best work from the last four decades With a polemical anger tempered by a keen sense of the absurd and a fiercely independent streak she writes incisively about politics morality finance feminism and the writing life She describes America with the keen eye of an outsider and looks back at Australia with an expatriate's frankness *Trouble* is both an unconventional autobiography and a record of remarkable times From the protest movements of the 1970s via Wall Street's heyday and dramatic collapse to the historic election of Barack Obama Jennings captures the shifts seismic and subtle personal and political that brought us to where we are now After four decades Kate Jennings work is as exhilarating and impossible to categorise shocking with the shock of recognition as the day it was written *Fairyland* Sumner Locke Elliott, 2013-06-26 The final book by Sumner Locke Elliott the award winning author of *Careful He Might Hear You* Drawing heavily on Locke Elliott's own experiences *Fairyland* charts the life of Seaton Daly an aspiring writer coming to terms with his homosexuality in the repressive atmosphere of inner city Sydney during the 1930s and 40s Lonely and naive Daly dreams of escaping to the promised land of the United States *Fairyland* is an intimate affecting sometimes harrowing portrayal of a lifelong search for love Sumner Locke Elliott's coming out novel it was first published in 1990 the year before his death This new edition comes with an introduction by Dennis Altman Sumner Locke Elliott was born in Sydney His mother was the writer Helena Sumner Locke She died of eclampsia the day after his birth and the boy was raised by his aunts *Careful He Might Hear You* was Elliott's debut novel It won the Miles Franklin Award in 1963 was translated into a number of languages

and became an international bestseller In 1983 it was made into an outstanding film directed by Carl Schultz starring Wendy Hughes Robyn Nevin and Nicholas Gledhill Elliott wrote ten novels in all He won the Patrick White Literary Award in 1977 After a lifetime of concealing his homosexuality he spent his final years living with his partner Whitfield Cook Sumner Locke Elliott died in New York City in 1991 Beautifully written and moving an elegantly crafted novel of lasting importance Dennis Altman
