Department of Bibliography, 1980 *Library of Congress Catalogs* Library of Congress, 1976 **Library of Congress Catalog** Library of Congress, 1973 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 American Book Publishing Record , 1982-04 *Books in Series in the United States* R.R. Bowker Company, Dept. of Bibliography Staff, 1978 **Resources in Education** , 1980 *Europe, Empire, and Spectacle in Nineteenth-Century British Music* Rachel Cowgill, Julian Rushton, 2017-07-05 This volume illuminates musical connections between Britain and the continent of Europe and Britain and its Empire The seldom recognized vitality of musical theatre and other kinds of spectacle in Britain itself and also the flourishing concert life of the period indicates a means of defining tradition and identity within nineteenth century British musical culture The objective of the volume has been to add significantly to the growing literature on these topics It benefits not only from new archival research but also from fresh musicological approaches and interdisciplinary methods that recognize the integral role of music within a wider culture including religious political and social life The essays are by scholars from the USA Britain and Europe covering a wide range of experience Topics range from the reception of Bach Mozart and Liszt in England a musical response to Shakespeare Italian opera in Dublin exoticism gender black musical identities British musicians in Canada and uses of music in various theatrical genres and state ceremony and in articulating the politics of the Union and Empire

Popular Music Roman Iwaschkin, 2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope **Routledge Library Editions: Art and Culture in the Nineteenth Century** Various, 2021-03-29

This set of 11 volumes originally published between 1946 and 2001 amalgamates a wide breadth of research on Art and Culture in the Nineteenth Century including studies on photography theatre opera and music This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of art and cultural history **The Provincial Music Festival in England, 1784-1914** Pippa Drummond, 2016-02-24

A history of the English music festival is long overdue Dr Pippa Drummond argues that these festivals represented the most significant cultural events in provincial England during the nineteenth century and emphasizes their particular importance in the promotion and commissioning of new music Drawing on material from surviving accounts committee records programmes contemporary pamphlets and reviews Drummond shows how the festivals responded to and reflected the changing social and economic conditions of their day Coverage includes a chronological overview documenting the history of individual festivals followed by a detailed exploration of such topics as performers and performance practice logistics and finance programmes and commissioning together with information concerning the

composition and provenance of festival choirs and orchestras Also discussed are the effects of improved transport and new technologies on the festivals sacred and secular conflicts gender issues the role of philanthropy the nature of patronage and the changing social status of festival audiences The book will also be of interest to social economic and local historians
