The Core of Care Ethics S. Collins,2015-02-17 The ethics of care has flourished in recent decades yet we remain without a succinct statement of its core theoretical commitment This study argues for a simple care ethical slogan dependency relationships generate responsibilities It uses this slogan to unify specify and justify the wide range of views found within the care ethical literature

Postmodernism and the Ethics of Theological Knowledge Justin Thacker,2007 This book establishes the necessary integration of theological knowledge with theological ethics It does this as a response to the postmodern critique of Christianity as exemplified in Rorty and Lyotard They argue that any claim to know God is necessarily tyrannical Contemporary responses to such postmodern thinking often fail to address adequately the ethical critique that is made This book redresses that balance by suggesting that our knowledge of God and love of the Other are so intimately connected that we cannot have one without the other In the absence of love then we simply do not know God Justin Thacker proposes that an effective theological response to postmodernity must address both knowledge and ethics in an integrated fashion as presented in this book
