

SOME EPICUREAN ASPECTS OF HORACE'S
UPBRINGING IN *SATIRES* 1.4

SERGIO YONA

HORACE'S FAMOUS DESCRIPTION of his upbringing in *Satires* 1.4.103–29 is one of the most important scenes of Book 1, particularly because it serves to establish the poet's ethical credentials and justify his role as professional critic. It is also one of the most complex and multifaceted passages in the entire collection, for in the process of constructing his ethical persona Horace synthesizes various literary and philosophical influences in a sophisticated and yet often parodic manner. Scholars have repeatedly shown the significant role of Roman comedy, especially Terence's *Adelphoe*, in Horace's serio-comic portrayal of his father's training. Perhaps one of the least explored facets of Horace's father's pedagogical method, however, is the role of Epicureanism, which, in conjunction with other traditions, has much to offer a satiric poet who is concerned with practical ethics and offers moral correction through the close observation of vicious individuals' defects. The following investigation will consider how, in addition to contributing to the ethical content of the *Satires*, Epicurean philosophy adds depth to the poet's presentation and analysis of the many foibles of contemporary Roman society. The reliance on sensation, for example, grants the audience full access to the colorful (and often disturbing) details of Roman life, but its importance for Epicurean epistemology suggests a more profound engagement with contemporary doctrines. It will also explore the conventionality of the language Horace typically employs in the *Satires*, which is certainly fitting for satire but also compatible with the semantic concerns of Epicurean language theory. Finally, it will examine the poet's father's practical advice concerning choices and avoidances as motivated by a calculation of pains and foreseeable pleasures, which, in accordance with Epicurean tradition, is communicated through the preventative and morally useful application of "frank criticism," or *parhēsia*.

Horace more than once pays tribute to his father by identifying him not only as the source (*ex hoc*, 1.4.129) of his moral purity, but also as the cause (*causa*, 1.6.71) of his successful encounter with Maecenas; a proper understanding of his significance, therefore, is essential for an appreciation of the poet's own literary persona and an accurate interpretation of the role of Epicurean ethics with regard to his moral formation. His portrayal in *Satires* 1.4 as the paternal source of Horace's poetry and generic origin of his subdued, morally-conscious style at once distinguishes the poet from his literary predecessor Lucilius and defines the principles informing Horatian satire (1.4.103–5):

Some Aspects Of Horace

Michal Rosen-Zvi

Some Aspects Of Horace:

Some Aspects of Horace Henry Rushton Fairclough, 1935 *Horace's Epodes* Philippa Bather, Claire Stocks, 2016-03-10

Horace's Epodes rank among the most under valued texts of the early Roman principate. Abrasive in style and riddled with apparent inconsistencies the Epodes have divided critics from the outset, infuriating and delighting them in equal measure. This collection of essays on the Epodes by new and established scholars seeks to overturn this work's ill-famed reputation and to reassert its place as a valid and valued member of Horace's literary corpus. Building upon a recent surge in scholarly interest in the Epodes, the volume goes one step further by looking beyond the collection itself to highlight the importance of intertext, context and reception. Covering a wide range of topics including the iambic tradition and aspects of gender, it begins with a consideration of the influences of Greek iambic upon the Epodes and ends with a discussion on their reception during the seventeenth century and beyond. By focusing on the connections that can be drawn between the Epodes and other ancient works as well as between the Epodes themselves, the volume will appeal to new and seasoned readers of the poems. In doing so, it demonstrates that this smallest and seemingly most insignificant of Horace's works is worthy of a place alongside the much-lauded Satires and Odes.

Horace's Ars Poetica Jennifer Ferriss-Hill, 2019-11-12

A major reinterpretation of Horace's famous literary manual. For two millennia the *Ars Poetica* (Art of Poetry), the 476-line literary treatise in verse with which Horace closed his career, has served as a paradigmatic manual for writers. Rarely has it been considered as a poem in its own right, or else it has been disparaged as a great poet's baffling outlier. Here Jennifer Ferriss Hill, for the first time, fully reintegrates the *Ars Poetica* into Horace's oeuvre, reading the poem as a coherent, complete and exceptional literary artifact intimately linked with the larger themes pervading his work. Arguing that the poem can be interpreted as a manual on how to live, masquerading as a handbook on poetry, Ferriss Hill traces its key themes to show that they extend beyond poetry to encompass friendship, laughter, intergenerational relationships and human endeavor. If the poem is read for how it expresses itself, moreover, it emerges as an exemplum of art in which judicious repetitions of words and ideas join disparate parts into a seamless whole that nevertheless lends itself to being remade upon every reading. Establishing the *Ars Poetica* as a logical evolution of Horace's work, this book promises to inspire a long-overdue reconsideration of a hugely influential yet misunderstood poem.

Thomas Hardy Ronald D. Morrison, 2021-05-14

Thomas Hardy enjoyed a long and distinguished career as a novelist before devoting his talents to writing poetry for the remainder of his life. This book focuses on Hardy's remarkable achievements as a novelist. Although Victorian readers considered some of his works controversial, his novels remained highly regarded. His novels still appear in the syllabi of courses in Victorian literature and the British novel as well as courses in feminist, gender studies, environmental studies and other topics. For scholars, students and the general reader, this companion helps to make Hardy's novels accessible by providing a detailed biography of Hardy, plot summaries of each novel and analyses of the critical contexts surrounding them. Entries focus on the people, cultural forces, literary forms and

movements that influenced Hardy's novels. The companion also suggests approaches for original interpretations and suggestions for further study.

The Star You Steer By, 2021-10-18 This book explores Basil Bunting's continued reputation and influence in modern British poetry and also the impact of a peculiarly Northern inflection of Modernism which Bunting largely defined within the varieties of poetry being written in Britain today. The editors asked a variety of English, Scottish, Welsh, and American poets and academics to reflect upon the themes, implications, impact, or example of Bunting's work in the centenary year of his birth, looking back on the beginnings of Modernism at the start of the twentieth century into which he was born or forward into the twenty-first century in which he continues to be read and learned from. A true poetic star to steer by. The resulting collection of fourteen new essays reveals the continued ability of Bunting's poetry both to delight and to challenge. Topics covered include the nature of influence, Celtic and Northumbrian contexts for the modern English long poem, prosodic patterns in early Bunting, Bunting as a reader of his own work, narrative sources in his poetry, the problem of patronage, his rueful masculinity, women poets, and Bunting's radical landscape poetry, his translations from the Persian Hafiz and the Roman Horace, economic and social tensions in his work, the poet as maker, and a previously unpublished selection of his letters from the 1960s to the 1980s, commenting upon his own and others' poetry and on the political condition of Britain in those years. The collection will be of interest to teachers and readers of twentieth-century English and American poetry and to those exploring the processes of literary translation. Contributors include David Annwn, Richard Caddel, Roy Fisher, Victoria Forde, Harry Gilonis, Ian Gregson, Philip Hobsbaum, Parvin Loloi, James McGonigal, Richard Price, Glynn Pursglove, Harriet Tarlo, Gael Turnbull, and Jonathan Williams.

Courtiers of the Marble Palace Todd C. Peppers, 2006 *Courtiers of the Marble Palace* explores how law clerks are hired and utilized by United States Supreme Court justices.

Time and the Erotic in Horace's Odes Ronnie Ancona, 1994 Rejecting both the notion that Horace fails as a love poet because he undermines the romantic ideal that love conquers time and the notion that he succeeds because he eschews illusions about love's ability to endure, this book challenges the assumption that temporality must inevitably pose a threat to the erotic. The author argues that temporality, understood as the contingency the male poet-lover wants to but cannot control, explains why love fails in Horace's Odes.

Brill's Companion to the Reception of Aristotle's Poetics, 2024-12-16 It is hardly possible to read Aristotle's *Poetics* today without acknowledging the influence of its reception history: our understanding of Aristotle's poetical theory has been reshaped in past decades thanks to a reappraisal of long-held prejudices whose history may be no less fascinating to explore than the text of the *Poetics* itself. To grasp what the *Poetics* has to say therefore involves questioning what its many readers have been looking after. What was the *Poetics* used for? And what are we using it for now? Into which bodies of texts has it been incorporated and put into perspective? How have these uses and contexts influenced past readings of the *Poetics* and how do they still inform the way we read it?

FAQs About Some Aspects Of Horace Books

What is a Some Aspects Of Horace PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Some Aspects Of Horace PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Some Aspects Of Horace PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Some Aspects Of Horace PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Some Aspects Of Horace PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
