Some Pigs:

Some Pigs Mark Shulman, 2014-04-30 Funny frolicsome whimsical little books about animals that do all the many things that boys and girls do or would like to do The Objects of Thought Tim Crane, 2013-10-10 The Objects of Thought addresses the ancient question of how it is possible to think about what does not exist Tim Crane argues that the representation of the non-existent is a pervasive feature of our thought about the world and that we will not adequately understand thought's representational power intentionality unless we have understood the representation of the non-existent Intentionality is conceived by Crane in terms of the direction of the mind upon an object of thought or an intentional object Intentional objects are what we think about Some intentional objects exist and some do not Non-existence poses a problem because there seem to be truths about non-existent intentional objects but truths are answerable to reality and reality contains only what exists The proposed solution is to accept that there are some genuine truths about non-existent intentional objects but to hold that they must be reductively explained in terms of truths about what does exist The Objects of Thought offers both an original account of the nature of intentionality and a solution to the problem of thought about the non-existent How to Raise Pigs Philip Hasheider, 2014-01-15 Backed by the National FFA Organization our acclaimed series of How to Raise guides has helped countless first-time animal owners across the United States confidently care for their new companions In this freshly updated second edition of How to Raise Pigs farmer and author Philip Hasheider covers every facet of raising pigs His approachable authoritative advice covers everything from figuring out which breed to buy to properly housing fencing feeding breeding showing marketing and butchering your animals Fully illustrated with instructional photography How to Raise Pigs continues to serve as the go-to reference book in your livestock library whether you're raising your pigs for pleasure or profit **Year of the Pig** Mark J.
