

POETRY IS MY UNDERWEAR

BY APRIL HALPRIN WAYLAND

My sister found them.

Read them out loud.
She's so proud,

she's running to our parents
waving my poems in the air.

Doesn't she know
she's waving my underwear?

Zulauf, Edward M. Cifelli, James D. Anderson, Rafael Català, 1995-05-30 The Index of American Periodical Verse is an important work for contemporary poetry research and is an objective measure of poetry that includes poets from the United States Canada and the Caribbean as well as other lands cultures and times It reveals trends in the output of particular poets and the cultural influences they represent The publications indexed cover a broad cross section of poetry literary scholarly popular general and little magazines journals and reviews [The Michael Cullen Novels](#) Alan Sillitoe, 2017-10-03 Three uproarious comic novels from the iconic author of such classics as The Loneliness of the Long Distance Runner and Saturday Night and Sunday Morning Alan Sillitoe has been hailed as the most quietly eloquent of his cohort of postwar British novelists Jonathan Lethem Here are three of Sillitoe's finest and funniest chronicling the adventures of the happy bastard Michael Cullen A Start in Life The saga begins as Michael Cullen says goodbye to his home in Nottingham and hits the road for London There he will make his fortune or die trying Life Goes On The legend of Britain's most unlikely hero continues After a series of outlandish criminal adventures Cullen is a bastard no more But he is still a rake with a refreshing lack of scruples With the open road in front of him the police behind him and randy waitresses at every lay by Cullen is up to his old tricks once again Moggerhanger This madcap tale finds Cullen hired by his ex boss racketeer Claude Moggerhanger to do a little job But that's just the beginning of a wild adventure featuring crazed poets endless women rat catchers Labrador retrievers and his old friend former mercenary soldier Bill Straw Rolling Stone called Alan Sillitoe the master of British verbal architecture These three novels also reveal him as a master of the picaresque one of the truly unmistakable and original voices in modern fiction **I Use to Fall Down: 50 + 25 + 25 Selected Poems** D. Alexander Holiday, 2005-06-21 This edition of I Use to Fall Down 50 25 25 Selected Poems contains all of the fifty 50 original poems that

first appeared in the original chap book of the same name plus twenty five 25 pieces that first appeared in Letters to Osama Old and New Musings on Foreign and Domestic Terrorism And Other Matters with an additional twenty five new poems The original chap book was a labor of love having comprised many of the pieces which appeared in the book during the Amadou Diallo trial of four New York City police officers charged with this young unarmed African males murder The murder was senseless but the trial was a travesty of justice a mockery of both the justice system in America and specifically how it relates to people of color and Black people in general and very specifically to black men in particular The trial was to put Amadou ergo black people black men on trial and to make whites see that black people are just guilty guilty of being the wrong color So I had written one and sometimes more than one poem per day during the duration of the trial which began at the end of January and primarily took place during February What is sort of ironic and lends credence to my position about racism in this country is that Amadou was shot and killed in the month of February which is Black History Month and his trial was conducted and ended in the month of February again Black History Month Amadou was found guilty and his murderers went free innocent of all charges Tragic but this oftentimes is justice for blacks in America In addition to writing all those poems during Black History Month about the trial and I had been working nearly two doors down from the very courthouse at the time I hit on the idea of putting a few of the trial poems and others that I had written into a chap book that I would sell locally but the chap book would primarily be for me something to have in my personal library a monument to Amadou and others a testament for Black America I worked on a computer at the local public library drafting each page and getting my printouts from the reference desk librarians After doing all that work the manuscript was ready to be printed into book format by a local Kinkos Amazingly once I actually had a few books in my hand one of the very librarians who had been working at the times I was in and had helped with getting my printed pages for me offered to buy a few copies of this very chapbook putting one in the local archives and about three in general circulation The library even hosted a reading for me I am very proud of the chap book and I had done about three others prior to this one which has gone through several versions of both the cover and the very style of the book and this is why Im making it available again for readers A few of the poems would later in appear in Letters to Osama my first major publication of my work which I am also very proud of This new version of I Use to Fall Down now has a new and exciting cover design twenty five poems from Letters to Osama and some new poems about everything from deaths of celebrities to politics and wars There is humor sadness revenge writing and plain anger at people places and things Being misanthropic is just not easy I hope that readers will both come away from my work having learned something and enjoyed the way I attempted to present the message **Mi Word Spell Check It Out** Lil'Prince, 2017-12-05 In a universe of wonders and curiosities in this age of Aquarius comes a book from stars all of my own and of your own messages of love confusion and insanities As Michael Jackson sang There is kick in the phones More accurately it means angels communicating to us by paranormal means This is a book of such medium messages *A Mental Health Story* Mark
