living a truly extraordinary life John Bolin goes straight to the source for a Christ inspired approach to personal growth and leadership development Based on Luke 2 52 The Call to Greatness helps readers develop in the same ways that Jesus did mentally physically spiritually and socially Bolin has included a step by step program that allows readers to begin putting the principles into practice and achieve greater influence for God A balanced and meaningful life is within reach Do It! or Ditch It Bev James,2011-12-15 Every successful achievement in life begins with a positive thought and a conscious decision Entrepreneur and businesswoman Bev James uses coaching and profiling principles to inspire people to be single minded learn how to plan prioritise delegate and take action to get things done and get them done well in work and in life To be successful you must have a passion for action and belief in your idea You must recognise the right opportunity and take appropriate action to ensure follow through and drive the project to completion But how do you decide which idea to run with and which action should become your top priority In eight simple steps Bev s down to earth Do It or Ditch It approach teaches you how to make clear decisions from the outset so that at every step along the way you will be more likely to succeed **Testimony** Scott Turow,2017-05-16 Scott Turow 1 New York Times bestselling author and one of the major writers in America NPR returns with a page turning legal thriller about an American prosecutor s investigation of a refugee camp s mystifying disappearance At the age of fifty former prosecutor Bill ten Boom has walked out on everything he thought was important to him his law career his wife Kindle County even his country Still when he is tapped by the International Criminal Court an organization charged with prosecuting crimes against humanity he feels drawn to what will become the most elusive case of his career Over ten years ago in the apocalyptic chaos following the Bosnian war an entire Roma refugee camp vanished Now for the first time a witness has stepped forward Ferko Rincic claims that armed men marched the camp s Gypsy residents to a cave in the middle of the night and then with a hand grenade set off an avalanche burying 400 people alive Only Ferko survived Boom s task is to examine Ferko s claims and determine who might have massacred the Roma His investigation takes him from the International Criminal Court s base in Holland to the cities and villages of Bosnia and secret meetings in Washington DC as Boom sorts through a host of suspects ranging from Serb paramilitaries to organized crime gangs to the US government itself while also maneuvering among the alliances and treacheries of those connected to the case Layton Merriwell a disgraced US major general desperate to salvage his reputation Sergeant Major Atilla Doby a vital cog in American military operations near the camp at the time of the Roma s disappearance Laza Kajevec the brutal former leader of the Bosnian Serbs Esma Czarni Ferko s alluring barrister and of course Ferko himself on whose testimony the entire case rests and who may know more than he s telling A master of the legal thriller Scott Turow has returned with his most irresistibly confounding and satisfying novel yet Scattered Memories. Life is a Story - story.one Johanna-Maria Pelzer-Rikus,2025-09-03 Scattered Memories is a collection of fragments A hospital corridor a crowded train the quiet of a library the lights of Berlin at night A garden gone wild a meadow filled with flowers a page stained with ink Each fragment

carries its own weight each one glimmers with a fleeting truth These stories are about love and absence about longing and silence about the way small moments can stay with us long after they have passed They are about growing losing waiting and about the questions that linger when no answers arrive Johanna Maria Pelzer Rikus writes with careful attention to detail and a sensitivity for the unseen Her words do not resolve but reflect allowing fragments to remain what they are incomplete shifting alive This book is an invitation to pause to breathe and to listen for the echoes that may remind you of your own memories scattered along the way Fat Talk Denise Martz,2019-05-20

Women have unintentionally become their own worst enemies through their engagement in fat talk critical dialogue about one s own physical appearance and body snarking or criticism towards other women s bodies Not only does this harsh judgment pervade our psyches and societies it also contributes to the glass ceiling in a variety of professions including politics representing feminist activism This book reviews and analyzes the origins and effects of fat talk and body snarking and provides potential solutions that include evidence based personal therapies and community interventions

Cries of a Tortured Soul R.I. Iyemere,2013-06-28 Since the beginning of time sometimes some peoples chose to write about their life experiences In these works I have just done that but in a form of Poetry because Love is the Stranger Who disagrees should go on and write their version of stories about me is their prerogative I have been discredited by those strangers that think that they hold the powers but I have stated the facts of the matters The things that I heard them say about my daughter and me but I do not possess the powers to rectify the mistakes that have been made As we lead our lives we all make mistakes daily because we are all humans and we are all fallible Due to all that have gone on so many times I cried myself to bed In my darkest hours I was consoled by my Wonderful Daughter Instead of being the Child She grew up faster and became the shoulders to cry on and so I dedicate the entirety of these works to my late daughter s foundation FOUNDATION IN MEMORIES OF ADA EMILA RUTH VALMORI Bsc Hons BECAUSE THESE HONOURS ARE YOURS AND MUST REMAIN YOURS ALONE TILL THE END OF TIME To her Father the Kindest Man truly with a heart of

gold the kindest Man on Earth of whom without I probably would not have been here today The Man who brought up his Stepson with the Kindest Heart as he would bring up His Own Natural Child and To My Grandson To another Man a wonderful Person of whom without we would have been homeless for much longer than necessary He who saw that wrong was done and asked that things should be put right To those freedom fighters of yester years and those of today To they who fight for the rights of the weak due to injustices in our World To All the Descendants of Immigrants the World Over those from the beginning of time since Humankind because they were the courageous pioneers who set the pace that some of us followed To those who have travelled abroad to cure their Child To those that believe in Fairness and those who believe in Kindness To those who believe in Love To the Just Women and the Just Men of This Our Great Universe R I IYEMERE
