Someone For Sara:

Someone for Sara Judith Enderle, 1984-07-01 The Honour Killings Sita Lazenby, 2001-03-20 Women are basically flawed They are despicable creatures unable to think easily swayed A man who had mutilated and then killed his wife spoke these words from an open jail cell during a television documentary His wife s friends appealed to viewers to focus world attention on her death and the plight of others like her for whom it might not be too late My novel tries to answer that appeal In *The Honour Killings* Sara and her two friends have just graduated from high school They look forward with high hopes to career or marriage or perhaps both But their families lock them up and force unwilling marital choices on them Sara flees from her family and gets away with her life Her two school friends are not so lucky Tani is sliced up with a carving knife and left for dead Her husband sets fire to Minoo who dies in Sara s arms With the help of good friends Sara fights for her freedom as her family pursues her across a continent She knows that only by her own survival can she secure justice and world recognition for her friends *The Fearless Foursome* Bridget Nelan, 2019-05-13 *The Fearless Foursome* tells the story of four young teenage girls who start their summer break with the formation of a new club Their first adventure is a sleepover that turns into a night of trouble when they sneak out to meet a group of boys A complex chain of events begins when one of them is involved in a serious accident The main character Sara Hawthorne learns some valuable lessons over the summer about friendship trust and honesty In the midst of a web of friendship issues a boy named Matt Thompson enters the picture and captures Sara s heart This fast paced novel grabs the reader until the turn of the last page **Searching for Mom** Timothy Fish, 2007-06-15 People who enjoyed *A Little Princess* *The Parent Trap* or *Mary Christmas* may enjoy reading Timothy Fish s new book *Searching For Mom* In this book Mark Dawson has raised Sara alone Sara has never had a mother and while she has a good relationship with her Dad the influence of this single parent on her life is evident Sara knows how to fight and can beat up boys older than her She dresses like a boy The only girly thing in her room is a doll and that has been relegated to holding Sara s baseball After her teacher gives her an assignment to write about a woman she has never known Sara decides that she will go find a mother It is a difficult task and when Sara finds a woman who meets her expectations she finds that neither her Dad nor the woman is pleased with her efforts to bring them together Timothy Fish has woven together an entertaining story with enough twists and turns to keep the reader guessing all the way to the end of the book Invaders R. Patrick Gates, 2007 They Invade Your Body Billions of pellet sized spores have arrived Swarming our cities they find ways inside our bodies as they transform humans into hideous monsters living only to feed on those closest to them friends parents even children And Do Not Leave In New York City Joe Burton leads a desperate clutch of survivors against the Invaders But he discovers that it s not only the once human creatures that have turned on their own kind as the world descends into chaos a winner take all struggle for survival begins Until It s Too Late As the living turn viciously against one other the Invaders prepare for the next stage of their conquest and it soon becomes clear to Burton that the horror he

survived was just the beginning Gates writes with such all stops out intensity that even Stephen King s faithful followers will begrudgingly admit the presence of a possible heir to the throne Publishers Weekly Hail to the new King The Journal Express
