Something Worth Saving:

Something Worth Saving Mary Means, 2025-02-21 **Something Worth Saving** Sandi Ward, 2018-12-18 The family pets see so much more than anyone realizes in this family drama Told with empathy and hope by the author of What Holds Us Together Booklist A boy and his cat It s an unconventional friendship perhaps but for Charlie and Lily it works beautifully It was Charlie who chose Lily from among all the cats in the shelter He didn t frown the way other humans did when he saw her injured back leg the legacy of a cruel previous owner Instead Charlie insisted on rescuing her Now Lily wants to do the same for Charlie She s the only one who s seen the bruises on Charlie s body If she knew who was hurting him she d scratch their eyes out But she can t fix this by herself Lily needs to get the rest of the family to focus on Charlie not easy when they re wrapped up in their own problems Charlie s mother kicked his father out weeks ago and has a new boyfriend who seems charming but is still a stranger Oldest son Kevin misses his father desperately Victoria Charlie s sister also has someone new in her life and Lily is decidedly suspicious Even Charlie s father who Lily loves dearly is behaving strangely Lily knows what it s like to feel helpless But she also knows that you don t always have to be the biggest or the strongest to fight fiercely for the ones you love Powerful and smartly written Ward explores the intricate workings of family life with a compassionate touch and unflinching honesty Lisa Duffy author of My Kind of People **Hostile Makeover (The Fashionista and The Geek)**

Carter, 2014-02-26 This is a true account of the five years I spent working in a high security jail in the UK I include stories from prisoners these stories were volunteered I do not include any names or specific descriptions of individuals but rather refer to them as anonymous voices This book provides a unique insight into life in jail arising from my unusual position as a teacher who worked outside the normal classroom situation in a capacity of outreach to every prison location from the wings to the kitchens The book charts my journey to each location in the prison and presents a whole prison experience as I worked from induction where men had recently arrived in the jail to the wings where some men were serving life I present my experience as it was a remarkable connection with human beings who in any other context one might term as normal In the end this is not my story this is their story and I leave the reader to make their own judgment The World Beautiful in
