Sexual Orientation and Teacher Identity Patrick M. Jenlink,2019-11-26 Sexual Orientation and Teacher Identity Professionalism and GLBT Politics in Teacher Preparation and Practice examines the nature of LGBTQ issues and teacher identity as social cultural and political constructs In particular the contributing authors to this collection of chapters present a collection of chapters contemporary discourses that will illuminate and critique the practices structures and politics in both teacher preparation programs and public school settings that affect LGBTQ teachers and their identity in relation to the struggles of teachers as professionals face in obtaining recognition The contributing authors of the book focus on teachers are entering educational settings where difference connotes not equal and discourses of LGBTQ politics identity and difference are interwoven with a realization of discrimination and marginalization The authors drawing on their personal and professional experiences give much needed voice to recognition and the formation of identity from a LGBTQ viewpoint as they relate to teachers teacher educators and other cultural workers responsible for shaping professional identities of teachers and for teaching students in schools and classrooms across the nation **Why Do the Heathen Rage?** Ayodeji Awe,2020-10-06 Why do the Heathen Rage is a perplexity that presents a melting pot of the supernatural and the natural Regarding this monumental collision of Donald Trump and the Left the celestial teleprompter displays the central insight that whenever the son of man sights the serpent he goes after its head while the serpent in return pursues his heels It's a dog fight The God factor in Trump coupled with the imposing octagonal causation of hatred no doubt conspicuously prime timed

him for which the Heathen the cartel of the Democrats and the Liberal Mainstream Press could not resist going after him like in a mad vengeance But God is unequivocally committed to His own agenda for which Trump is a major character He therefore zeroes his eyes on the detractors calls them out for their atrocities warns them to repent and possibly fall in line He further embraces the supporters encouraging them to keep the faith stand tall and kneel only to Almighty God They must keep up with support of the President and return him to the White House in November 2020 that the good works in progress may continue Finally He prophesies an assurance to America as a nation that He will not renege on his covenant with the Pilgrim forefathers Ultimately Coronavirus wears off the experiential peace of God returns ushering in normalcy while America remains an icon and a place most coveted and sought on earth
