Raul Castro himself had declared If Lorenzo had the guts to leave with one of my MiGs maybe he has the guts to come back and get his family Desperate Orestes Lorenzo did just that flying an old twin engine Cessna across the straits of Florida avoiding Cuban radar and landing on a busy highway in a breathtaking rescue Wings of Morning is Lorenzo s account of this astonishing feat but it is also the unforgettable odyssey of a young man growing up during the euphoria of the Cuban Revolution marrying his sweetheart and going off to train as a fighter pilot in the Soviet Union Lorenzo movingly describes his growing disillusionment with communism his religious awakening amidst the revelations of Perestroika and the near death of his beloved Vicky as well as his increasing conviction that he must not let his children grow up in a country that denies any dignity or spiritual values in the individual in the family and to society
