Sommer Am Meerthe Empty House:

Video Meera Nair,2007-12-18 The ten exquisitely crafted stories in Video introduce a gifted new writer whose straight forward elegant prose and bewitching storytelling talent combine in brilliant miniatures of contemporary Indian life In the title story an Indian man s chance exposure to a Western style porn film affects not only his marriage his wife hides for hours then days then weeks at a time from his renewed desire but also his neighborhood as traditional notions of marriage intimacy and propriety confront the unspeakable and the tacitly alluring In The Sculptor of Sands a superbly imagined mystical tale with the depth and resonance of legend a slight young man s sensuous sand sculptures transfix a seaside community and despite their evanescence leave an indelible impression on the women of the town In My Grandfather Dreams of Fences an aging landlord convinced that his worker is stealing his land desperately clings to the vestiges of a rigid class system erecting fences with fervor while his dignity falls into disrepair And in The Lodger in Room 726 a boy who daily brings breakfast to the new tenant in a rooming house unleashes a cascade of emotions previously unknown to him when he pursues his fantasy that the man is a well known murderer on the lam An astonishing debut written with a wry intelligence and an irresistible blend of humor wit and pathos Video masterfully evokes traditional Indian culture as it confronts the onrush of change In subtle gestures and keenly observed details Meera Nair reveals an entire world of gleaming particularity and transcendent emotional power
