Goddesses Manuela Dunn Mascetti,1998 Eve's Bible Sarah S. Forth,2009-05-26 Eve s Bible is for every woman who has ever said I ve always wanted to read the Bible but Whatever the reason it s too complicated too big too old too many men and too few women and anyway I don t know whether I believe it or not Eve s Bible helps readers explore the Old Testament regardless of religious affiliation Eve s Bible challenges conventional ideas about women in the Bible and shows readers how to draw upon their own truth to interpret the Bible in new and liberating ways With Eve s Bible as their companion readers will Recognize and read the Old Testament s literary building blocks Learn how women in the biblical era lived Learn why the biblical Deity is such a complex character Derive meaning from scripture by balancing left brained inquiry with heart felt intuition Become their own authority on the Bible A friendly guide that anticipates readers questions and concerns Eve s Bible helps readers find their way through the Bible with intelligence and verve *Eve's Song* M.J. Ferguson,2012-05-09 Eves Song is a short story of Eve as seen through her eyes It begins at her creation by God and ends at the death of her beloved husband Adam She tells of her experiences in the garden of Eden her temptation and fall and life outside the garden This of course is a novel but it does not contradict the Bible It expands on her possible feelings of joy and love and fears for her family and future The Faure Song Cycles Stephen Rumph,2020-09-29 Gabriel Faur s m lodies offer an inexhaustible variety of style and expression that have made them the foundation of the French art song repertoire During the second half of his long career Faur composed all but a handful of his songs within six carefully integrated cycles Faur moved systematically through his poetic contemporaries exhausting Baudelaire s Les fleurs du mal before immersing himself in the Parnassian poets He would set nine poems by Armand Silvestre in swift succession 1878 84 seventeen by Paul Verlaine 1887 94 and eighteen by Charles Van Lerberghe 1906 14 As an artist deeply engaged with some of the most important cultural issues of the period Faur reimagined his musical idiom with each new poet and school and his song cycles show the same sensitivity to the poetic material Far more than Debussy Ravel or Poulenc he crafted his song cycles as integrated works reordering poems freely and using narratives key schemes and even leitmotifs to unify the individual songs The Faur Song Cycles explores the peculiar vision behind each synthesis of music and verse revealing the astonishing imagination and insight of Faur s musical readings This book offers not only close readings of Faur s musical works but an interdisciplinary study of how he responded to the changing schools and aesthetic currents of French poetry **The Vineyard of Song** Chester G.
