Songs from My Heart Daisaku Ikeda,2014-10-01 For many years Daisaku Ikeda has used poetry to express his innermost observations and sensations He has given poetic voice to feelings that have emerged from real life and from the activities of an internationally known champion of peace and education and the leader of a worldwide lay Buddhist movement With a vigour and simplicity that derive from a style rooted in classical rather than colloquial traditions his poems celebrate the themes of youth and of progress and the mysteries of the natural world whether a wind that sighs with its melancholy chant to the traveller or a great sky with its transcendent beauty and stillness or a moon that shines with the light of the silver monarch These are poignant meditations above all on time transience and the eternal rendered visible through a palette of diverse poetic colour and framed within a universe where all people are called to strive for a better world Such a world is characterized not by division but by peace and love In that sense these are verses expressive of the author's deepest hopes and sentiments not merely poems but keenly felt songs from his heart

Songs from My Heart Daisaku Ikeda (Buddhistischer Patriarch, Japan),1978 Songs from My Heart Daisaku Ikeda, 2014-10-01 For many years Daisaku Ikeda has used poetry to express his innermost observations and sensations He has given poetic voice to feelings that have emerged from real life and from the activities of an internationally known champion of peace and education and the leader of a worldwide lay Buddhist movement With a vigour and simplicity that derive from a style rooted in classical rather than colloquial traditions his poems celebrate the themes of youth and of progress and the mysteries of the natural world whether a wind that sighs with its melancholy chant to the traveller or a great sky with its transcendent beauty and stillness or a moon that shines with the light of the silver monarch These are poignant meditations above all on time transience and the eternal rendered visible through a palette of diverse poetic colour and framed within a universe where all people are called to strive for a better world Such a world is characterized not by division but by peace and love In that sense these are verses expressive of the author's deepest hopes and sentiments not merely poems but keenly felt songs from his heart Daisaku Ikeda and Dialogue for Peace Olivier Urbain, 2013-08-09 The prominent Buddhist religious leader and advocate for peace Daisaku Ikeda has placed dialogue at the centre of his efforts towards securing global justice and conflict resolution However far from constituting abstract plans for the future of the world Ikeda's dialogues represent very concrete and focused activity. He concentrates on one significant individual such as Joseph Rotblat Linus Pauling and Mikhail Gorbachev at a time or sometimes small groups in order to attempt the transformation of thinking and society through intense discussion This book offers detailed exploration of this crucial aspect of Ikeda's philosophy of peace Contributors examine topics such as the background to Ikeda's dialogic thinking as found in the Lotus Sutra Buddhism as a practical philosophy of dialogue Ikeda's use of dialogue specifically in the field of education and dialogue in relation to the abolition of nuclear weapons Ikeda's concept of dialogue emerges as a paradoxical movement

towards common ground based on respectful difference This study will appeal to students of peace politics and modern **Encountering the Dharma** Richard Hughes Seager, 2006-03-16 This engaging deeply personal book Buddhism illuminating the search for meaning in today s world offers a rare insider s look at Soka Gakkai Buddhism one of Japan s most influential and controversial religious movements and one that is experiencing explosive growth around the world Unique for its multiethnic make up Gakkai Buddhists can be found in more than 100 countries from Japan to Brazil to the United States and Germany In Encountering the Dharma Richard Seager an American professor of religion trying to come to terms with the death of his wife travels to Japan in search of the spirit of the Soka Gakkai This book tells of his journey toward understanding in a compelling narrative woven out of his observations reflections and interviews including several rare one on one meetings with Soka Gakkai president Daisaku Ikeda Along the way Seager also explores broad ranging controversies arising from the Soka Gakkai's efforts to rebuild post war Japan its struggles with an ancient priesthood and its motives for propagating Buddhism around the world One turning point in his understanding comes as Ikeda and the Soka Gakkai strike an authentically Buddhist response to the events of September 11 2001 Daisaku Ikeda's Philosophy of Peace Olivier Urbain, 2010-03-30 Who is Daisaku Ikeda At one level he is the leader of a religious movement Soka Gakkai which began in Japan where it still has its headquarters but which now claims 12 million adherents around the world At another level he is a globetrotting figure whose formal conversations with diverse writers thinkers and diplomats including Arnold Toynbee Joseph Rotblat and Mikhail Gorbachev have garnered him an international profile as well as academic recognition Perhaps above all else Daisaku Ikeda is viewed as a campaigner for peace And it is Ikeda s specific contribution to peacebuilding notably through the central emphasis he has placed on the significance of dialogue that this book explores the first to do so in a concerted way Olivier Urbain shows that while Soka Gakkai the value society may stem from the medieval principles of Nichiren Buddhism under Ikeda s leadership it has taken these classic wisdoms and transformed them Now essentially classless and secularised as well as adaptable and sensitive to modern challenges like resource shortages and climate change this argues the author is a pragmatic approach to peace which has proved both popular and eminently transportable Journey of Life Daisaku Ikeda, 2014-05-20 Whether through lyrical celebrations of the wonders of nature paeans to the steadfastness of women or salutations to the world leaders who have in their various ways provided inspiration to his lifelong devotion to the causes of peace justice and education Daisaku Ikeda in his poems expresses unwavering commitment to the development of a humanistic global culture These translations the first of a three volume collection and based on the Japanese Complete Works of Daisaku Ikeda Ikeda Daisaku zenshu cover the years 1945 2007 and explore the many subjects to which the leader of the Soka Gakkai International has devoted his poetic heart and mind The translators have sought to reproduce the rhythms and timbres of a voice which though influenced by the likes of Whitman Defoe Dumas Ibsen Emerson and Shelley is yet distinctive and unique Sometimes the poet adopts a simple

vernacular note at other times the compression associated with Japanese poeic forms haiku and waka But at all times the poetry maintains a stately rhythm that reflects the dignity of ordinary language and expression This collection will delight readers familiar with the prose writings of the author as well as those coming to his work for the first time The poems within it speak with freedom and feeling of a world where genuine poetry reigns supreme and of a world where poetic perception becomes a perception of interconnectedness between friends between humanity and nature or between humanity and the Library Catalog of the Metropolitan Museum of Art, New York.
