Songs from the Heart Ann Howle Davis, 2019-01-04 This book is a culmination of fifty eight years of transcribing thoughts that when penned evolved as poetry about faith hope pain love grace and forgiveness I never set down to write I only captured the words that would begin to dance in my mind and watch as the remainder of the message fell into place Sometimes it would be several in a cluster Or only one at a time There would be months and sometimes years between In this last year there has been a more consistent flow I can't explain why I can only say that I am humbled to be used in this way If anyone reads these words and finds solace and hope I believe my mission has been accomplished **Songs of the Soul** Mary Alethea Woodward, 1924 Songs of the Soul as the title indicates are poems springing from a passionate love and search for the truth for an answer to the mysteries of existence as found in the Gospel of Jesus Christ Preface Songs of the Soul Mary Alethea Woodward, 1939 **Songs of a Returning Soul** Elizabeth Libbey, 1981
