

The background of the slide is a dark blue gradient. It features stylized, glowing green and blue sound waves that ripple across the frame. In the center, there is a bright, multi-colored flash of light, primarily white and yellow, with hints of red and purple, suggesting a high-energy event like a bubble collapse.

**Sonoluminescence** is  
light made from sound.

In water, sound with the right frequency can  
produce a super-hot bubble that creates  
*a flash of light* when it collapses.
