Sons of the Reich Michael Reynolds, 2009 The history of II SS Panzer Corps is a short and violent one This meticulously researched book documents the actions of the 9th and 10th SS Panzer Divisions from activation until October 1944 and the 2nd and 9th SS Divisions from December 1944 until the end of the war This period encompasses the Battle of Normandy the escape from the Falaise Pocket the MARKET GARDEN episode and Hitler's last great offensive in the West the Battle of the Bulge *Sons of the Reich* also dismantles the myth that the Waffen SS were a volunteer force of brainwashed thugs and fanatics in fact II SS Panzer Division were ordinary conscripts whose tenacity most notably at Arnhem in September 1944 was admired by friend and foe alike *Armies of Empire* Allan Converse, 2011-04-07 *Armies of Empire* uniquely reflects upon the experience of two divisions from different armies facing similar challenges in the Second World War The 9th Australian Division and the British 50th Northumbrian Division both saw long service and suffered heavy casualties and both encountered morale discipline and battlefield effectiveness problems In this illuminating comparative study of Australian and British divisions at war Allan Converse draws extensively on primary sources as well as recent scholarship on morale and combat efficiency His fresh approach questions the popular mythology surrounding the Australian Digger and the British Tommy and shows how it was a combination of leadership loyalty and tactics rather than intrinsic national qualities which resulted in victory for Churchill's armies *World War II: The Last War Heroes* Stephen Bull, 2011-11-11 The companion volume to the groundbreaking TV series this book tells the story of the physical emotional and psychological journey of Allied soldiers from the beaches of Normandy to the ruins of Berlin In their own words these brave men from Britain the United States Canada and Russia tell us what it was like to face the bullets bombs mortars mines and artillery shells of Nazi Germany Interviews with over 80 soldiers who fought in the conflict totalling 150 hours provide a new perspective on the

experiences of 1944 45 Building on the high speed multi camera filming of World War II weapons and munitions shown in the TV series this book brings the terrifying reality of the war to life Technical descriptions and the experiences of the men in the field explain the dramatic power and effect that this weaponry had on the battlefield from the sinister simplicity of the deadly AP mine through to the immense firepower of the 88mm gun giving the modern historian a unique insight into the last days of the war for the troops on the frontline This is not a history of generals of armies manoeuvring and strategic objectives World War II The Last War Heroes is a book about the ordinary men put into incredible situations deprived of sleep and food and in constant fear of death on the long road to victory **From the Realm of a Dying Sun** Douglas E. Nash,2019-12-19 The first volume of the tactical and operational history of World War II Germany's fourth SS Panzerkorps division and its leader During World War II the armed or Waffen SS branch of the Third Reich's dreaded security service expanded from two divisions in 1940 to 38 divisions by the end of the war eventually growing to a force of over 900 000 men until Germany's defeat in May 1945 The histories of the first three SS corps are well known the actions of I II and III Germanic SS Panzerkorps have been thoroughly documented and publicized Overlooked in this pantheon is another SS corps that never fought in the west or in Berlin but one that participated in many of the key battles fought on the Eastern Front during the last year of the war the IV SS Panzerkorps Activated during the initial stages of the defense of Warsaw in late July 1944 the corps consisting of the 3 and 5 SS Panzer Divisions Totenkopf and Wiking respectively was born in battle and spent the last ten months of the war in combat figuring prominently in the battles of Warsaw the attempted Relief of Budapest Operation Spring Awakening the defense of Vienna and the withdrawal into Austria where it finally surrendered to U S forces in May 1945 Herbert Otto Gille's IV SS Panzerkorps was renowned for its tenacity high morale and above all its lethality Often embroiled in heated disputes with its immediate Wehrmacht higher headquarters over his seemingly cavalier conduct of operations Gille's corps remained to the bitter end one of the Third Reich's most reliable and formidable field formations

Waffen-SS Adrian Gilbert,2019-06-25 From an award winning and bestselling historian the first comprehensive military history in over fifty years of Hitler's famous and infamous personal army the Waffen SS The Waffen SS was one of the most feared combat organizations of the twentieth century Originally formed as a protection squad for Adolf Hitler it became the military wing of Heinrich Himmler's SS and a key part of the Nazi state with nearly 900 000 men passing through its ranks The Waffen SS played a crucial role in furthering the aims of the Third Reich which made its soldiers Hitler's political operatives During its short history the elite military divisions of the Waffen SS acquired a reputation for excellence but their famous battlefield record of success was matched by their repeated and infamous atrocities against both soldiers and civilians Waffen SS is the first definitive single volume military history of the Waffen SS in more than fifty years In considering the actions of its leading personalities including Himmler Sepp Dietrich and Otto Skorzeny and analyzing its specialist training and ideological outlook eminent historian Adrian Gilbert chronicles the battles and campaigns that brought

the Waffen SS both fame and infamy Occupation and Insurgency Colin D. Heaton,2008 The Wehrmacht Tim Ripley,2014-01-27 To see the foreword the introduction a generous selection of sample pages and more visit the website The Wehrmacht website In this unique volume expert Tim Ripley introduces the reader to the world of the German army covering in detail concepts such as mobile defense and the formidable Blitzkrieg and explains why the Wehrmacht was able to fight so long with such fearsome effectiveness Also includes 180 color and black and white maps and illustrations *Bloody Verrières: The I. SS-Panzerkorps Defence of the Verrières-Bourguebus Ridges* Arthur W. Gullachsen,2024-07-09 Detailed examination of how the I SS Panzerkorps faced Anglo Canadian offensives in the area of the Verri res and Bourgu bus ridges during the battle for Normandy South of the Norman city of Caen Verri res Ridge was seen a key stepping stone for the British Second Army if it was to break out of the Normandy bridgehead in late July 1944 Imposing in height and containing perfect terrain for armored operations the Germans viewed it as the lynchpin to their defenses south of the city of Caen and east of the Orne river Following the failure of British Operation Goodwood on 18 20 July and the containment of the Canadian Operation Atlantic further Allied attacks to seize the ridge would have to defeat arguably the strongest German armored formation in Normandy The I SS Panzerkorps Leibstandarte In the second volume of this two volume work the fighting of 23 July 3 August is chronicled in detail specifically the premier Anglo Canadian operation to capture Verri res Ridge Operation Spring on 25 July Designed as an attack to seize the ridge and exploit south with armor this battle saw the 2nd Canadian Corps attack savaged again by German armored reserves brought in specifically to defeat another Goodwood Not satisfied with this defensive victory German armored forces would then seek to restore an earlier defensive line further north attacking to destroy the 2nd Canadian Infantry Division Largely unknown these were some of the strongest and most successful German armored operations to take place in the Normandy campaign
