The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites [The Second Kormak Saga Omnibus](#) William King, The King of High Adventure Starlog Immediately convincing classically brooding Steve Tompkins TheCimmerian.com WHO IS KORMAK To the world at large he is a mercenary and assassin a brutal killer with a deadly blade In reality Kormak is a Guardian one of an ancient order sworn to protect humanity from the servants of the gathering darkness Kormak is a sword and sorcery hero in the tradition of Conan Solomon Kane and Druss the Legend a driven man with a mission to hunt down the ancient demons who slaughtered his family His fast paced action packed adventures take him from one end of his richly detailed fantasy world to the other THE SECOND KORMAK OMNIBUS From the rat infested streets of nightmare haunted Vermstadt to the ruins of the greatest of all Dwarvish nations and beyond Kormak must battle demons and monsters and the worst evil of all that which lies within the human heart The Kormak Omnibus compiles three of Kormak's greatest adventures into one massive volume packed with action adventure and magic CITY OF STRIFE A sinister conspiracy brings the great city state of Vermstadt to the edge of civil war A brutal murderer slays the poor and eats their hearts A plague of supernaturally intelligent rats threatens to overwhelm the metropolis The invincible Silent Man rises from his grave to kill again and again Join Kormak as he attempts to piece together the links between these terrible events and put an end to them before catastrophe befalls the city TAKER OF SKULLS Kormak is ordered to guard the enigmatic sorceress Karnea with his life as she ventures into the Dwarven city of Khazduroth It is a quest that begs many questions What awful knowledge is Karnea really seeking amid the ruins of an ancient civilisation Why has the sinister and mighty Old One known as the Taker
