**Ronald Grimsley**

## **Søren Kierkegaard And French Literature:**

**Søren Kierkegaard and French Literature** Ronald Grimsley, 1966      *Søren Kierkegaard and French literature* Ronald Grimsley, 1966      **Søren Kierkegaard and French Literature. 8 Comparat. Studies** Ronald Grimsley, Søren Kierkegaard, 1966      **Volume 5, Tome III: Kierkegaard and the Renaissance and Modern Traditions - Literature, Drama and Music** Jon Stewart, 2016-12-05

The long period from the Renaissance to the nineteenth century supplied numerous sources for Kierkegaard's thought in any number of different fields. The present rather heterogeneous volume covers the long period from the birth of Savonarola in 1452 through the beginning of the nineteenth century and into Kierkegaard's own time. The Danish thinker read authors representing vastly different traditions and time periods. Moreover, he also read a diverse range of genres. His interests concerned not just philosophy, theology, and literature but also drama and music. The present volume consists of three tomes that are intended to cover Kierkegaard's sources in these different fields of thought. Tome III covers the sources that are relevant for literature, drama, and music. Kierkegaard was well read in the European literature of the seventeenth and eighteenth century. He was captivated by the figure of Cervantes' Don Quixote, who is used as a model for humor and irony. He also enjoyed French literature represented here by articles on Chateaubriand, Lamartine, and Molière. French dramatists were popular on the Danish stage, and Kierkegaard demonstrated an interest in, among others, Molière and Scribe. Although he never possessed strong English skills, this did not prevent him from familiarizing himself with English literature primarily with the help of German translations. While there is an established body of secondary material on Kierkegaard's relation to Shakespeare, little has been said about his use of the Irish dramatist Sheridan. It is obvious from among other things, The Concept of Irony, that Kierkegaard knew in detail the works of some of the main writers of the German Romantic movement. However, his use of the leading figures of the British Romantic movement, Byron and Shelley, remains largely unexplored terrain. The classic Danish authors of the eighteenth century, Holberg, Wessel, and Ewald, were influential figures who prepared the way for the Golden Age of Danish poetry. Kierkegaard constantly refers to their dramatic characters, whom he often employs to illustrate a philosophical idea with a pregnant example or turn of phrase. Finally, while Kierkegaard is not an obvious name in musicology, his analysis of Mozart's Don Giovanni shows that he had a keen interest in music on many different levels.

*The Literary Kierkegaard* Eric Ziolkowski, 2011-12-31

Eric Ziolkowski's monumental study examines Kierkegaard's whole prolix literature, including the pseudonymous and the signed published writings, as well as his private journals, papers, and letters, in relation to works by five other literary giants. Kierkegaard himself stresses the essentially literary, as opposed to the strictly theological or philosophical, nature of his writings. Uncovering this neglected aspect of Kierkegaard's oeuvre, Ziolkowski first considers the notions of aesthetics and the aesthetic as Kierkegaard adapted them, then his posture as a poet and his self-conception as a weed in literature. After taking account of the history of the critical recognition of Kierkegaard as a literary artist, Ziolkowski

looks at an important characteristic of Kierkegaard's literary craft that has received relatively little attention the manner by which he and his pseudonyms read and quoted other authors Ziolkowski explores the connections between the philosopher's writings and those of other literary masters who directly influenced him such as Aristophanes Cervantes and Shakespeare and those such as Wolfram von Eschenbach and Carlyle who while not direct influences gave paradigmatic expression to some of the same aspects of aesthetic ethical and religious existence that Kierkegaard portrayed A necessary resource for Kierkegaard scholars philosophers and students of religion and literature alike The literary Kierkegaard corrects a significant lack in our understanding of one of the most significant thinkers of the modern era dust jacket Kierkegaard and Levinas Patrick Sheil, 2017-03-02 The Danish Christian existentialist Søren Kierkegaard 1813-1855 and the Jewish Lithuanian born French interpreter of modern phenomenology Emmanuel Levinas 1906-1995 have enabled theology and philosophy to illuminate and confront one another in radical and important ways This book addresses the theological and philosophical thought of both Kierkegaard and Levinas with a focus on the special form that exists in the grammar of many languages for cases of uncertainty possibility hypothesis and for expressions of hope the subjunctive mood As well as presenting arguments and observations about Kierkegaard and Levinas through an analysis of the subjunctive mood Patrick Sheil offers an interesting and accessible way into the thought of these two major European philosophers and he explores a wide range of Kierkegaardian and Levinasian texts throughout **Volume 5, Tome I: Kierkegaard and the Renaissance and Modern Traditions - Philosophy** Jon Stewart, 2016-12-05 The long period from the Renaissance to the nineteenth century supplied numerous sources for Kierkegaard's thought in any number of different fields The present rather heterogeneous volume covers the long period from the birth of Savonarola in 1452 through the beginning of the nineteenth century and into Kierkegaard's own time The Danish thinker read authors representing vastly different traditions and time periods Moreover he also read a diverse range of genres His interests concerned not just philosophy theology and literature but also drama and music The present volume consists of three tomes that are intended to cover Kierkegaard's sources in these different fields of thought Tome I is dedicated to the philosophers of the early modern period and the Enlightenment who played a role in shaping Kierkegaard's intellectual development He was widely read in German and French philosophy of the sixteenth seventeenth and eighteenth centuries making reference to the leading rationalist philosophers Descartes Spinoza and Leibniz in his journals and published works Further connections have also been pointed out between his thought and the writings of the French thinkers Montaigne Pascal and Rousseau who share with Kierkegaard a form of philosophy that is more interested in life and existence than purely conceptual analysis Through the works of the authors explored here Kierkegaard became acquainted with some of the major philosophical discussions of the modern era such as the beginning of philosophy the role of doubt the status of autonomy in ethics and religion human freedom the problem of the theodicy found in thinkers such as Bayle and Leibniz and the problem of the relation of philosophy to religion as it appears in the German writers Jacobi

and Lessing     Kierkegaard Bibliography Peter Šajda,2017     **The A to Z of Kierkegaard's Philosophy** Julia Watkin,2010-03-23 The A to Z of Kierkegaard's Philosophy provides a contextual introduction to Kierkegaard's 19th century world of Copenhagen a chronology of events and key figures in his life as well as definitions of the key systems of his thought theology existentialism literature and psychology The extensive bibliographical section covers secondary literature and electronic materials of help to researchers The appendix includes detailed information on his writings along with a list of his pseudonyms This book is useful not only as a guide for experienced scholars but also as an introduction to new students of Kierkegaard's Philosophy     A Companion to Kierkegaard Jon Stewart,2015-07-21 A COMPANION TO KIERKEGAARD Companions to important thinkers help readers focus on the main drift of their texts with the help of a dig into their origin and some account of their reception This one digs deeper and over a wider terrain than most But it does more Besides guiding us to the staples of theology and philosophy in Kierkegaard's background it also looks forward to a future as if Kierkegaard too might be taken by the arm and told that here was something that should interest him about politics social life psychology education literary theory deconstruction theatre It is as much a sign of the extraordinary richness of Kierkegaard's literary palette as of the now wide currency of his thought that its elements can become topics in their own right with Kierkegaard their inspiration Jon Stewart and his authors are to be congratulated for bringing this unique thinker into our living presence on such a scale and with so many things to talk about Alastair Hannay Professor Emeritus University of Oslo Born in Copenhagen in 1813 Søren Kierkegaard produced a remarkable amount of work during his fairly short life When he died in 1855 he left behind a complex and interdisciplinary legacy that continues to spark academic debate Edited by one of the world's leading Kierkegaard scholars A Companion to Kierkegaard provides the most comprehensive single volume overview of Kierkegaard studies currently available Featuring contributions from an international array of scholars the collection covers all the major topics within the broad field of Kierkegaard research including philosophy theology aesthetics art literary theory social sciences and politics Kierkegaard's contribution to each of these disciplines is illustrated through examination of the sources he drew upon the reception of his ideas and the unique conceptual insights he brought to each topic A Companion to Kierkegaard demystifies the complex field of Kierkegaard studies providing the ideal entry point into his writing for readers at all levels This collection will be an essential tool for students and scholars from across the disciplines who are interested in learning more about this important and influential thinker     **Volume 16, Tome II: Kierkegaard's Literary Figures and Motifs** Katalin Nun,Jon Stewart,2016-12-05 While Kierkegaard is perhaps known best as a religious thinker and philosopher there is an unmistakable literary element in his writings He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians but at the same time it has made their interpretation more complex Kierkegaard readers are generally aware of

his interest in figures such as Faust or the Wandering Jew but they rarely have a full appreciation of the vast extent of his use of characters from different literary periods and traditions The present volume is dedicated to the treatment of the variety of literary figures and motifs used by Kierkegaard The volume is arranged alphabetically by name with Tome II covering figures and motifs from Gulliver to Zerlina **Feminist Interpretations of Søren Kierkegaard** Céline Léon, Sylvia

Walsh, 2010-11-01 Even though Kierkegaard insisted on the fundamental equality of the sexes before God his entire production is highly problematic for feminism To a great degree this is due to his tendency to write under a pseudonym In this collection of 14 articles contributors take varying stands on the question of whether Kierkegaard's work was indicative of misogyny or misogamy Topics of discussion include Kierkegaard's notion of the double nature of woman and of the silent woman his idea of masculine indifference and his use of irony in his critique of the feminine Paper edition unseen 17 95

Kirkpatrick, 2011-08-19 Though Søren Kierkegaard and Dietrich Bonhoeffer both made considerable contributions to twentieth century thought they are rarely considered together Against Kierkegaard's melancholic individual Bonhoeffer stands as the champion of the church and community In Attacks on Christendom Matthew D Kirkpatrick challenges these stereotypical readings of these two vital thinkers Through an analysis of such concepts as epistemology ethics Christology and ecclesiology Kirkpatrick reveals Kierkegaard's significant influence on Bonhoeffer throughout his work Kirkpatrick shows that Kierkegaard underlies not only Bonhoeffer's spirituality but also his concepts of knowledge being and community So important is this relationship that it was through Kierkegaard's powerful representation of Abraham and Isaac that Bonhoeffer came to adhere to an ethic that led to his involvement in the assassination attempts against Hitler However this relationship is by no means one sided Attacks on Christendom argues for the importance of Bonhoeffer as an interpreter of Kierkegaard drawing Kierkegaard's thought into his own unique context forcing Kierkegaard to answer very different questions Bonhoeffer helps in converting the obscure obdurate Dane into a thinker for his own unique age Both Kierkegaard and Bonhoeffer have been criticized and misunderstood for their final works that lay bare the religious climates of their nations In the final analysis Attacks on Christendom argues that these works are not unfortunate endings to their careers but rather their fulfilment drawing together the themes that had been brewing throughout their work **Montaigne and the**

**introspective mind** Glyn P. Norton, 2019-03-18 No detailed description available for Montaigne and the introspective mind

**Kierkegaard and Religion** Sylvia Walsh, 2018-03-15 Focusing on the concepts of personality character and virtue this work examines what it means to exist religiously for Kierkegaard **Kierkegaard and the Staging of Desire** Carl S.

Hughes, 2014-07-02 Theology in the modern era often assumes that the consummate form of theological discourse is objective prose ignoring or condemning apophatic traditions and the spiritual eros that drives them For too long Kierkegaard has been read along these lines as a progenitor of twentieth century neo orthodoxy and a stern critic of the erotic in all its

forms In contrast Hughes argues that Kierkegaard envisions faith fundamentally as a form of infinite insatiable eros He depicts the essential purpose of Kierkegaard s writing as to elicit ever greater spiritual desire not to provide the satisfactions of doctrine or knowledge Hughes s argument revolves around close readings of provocative disparate and in many cases little known Kierkegaardian texts The thread connecting all of these texts is that they each conjure up some sort of performative stage setting which they invite readers to enter By analyzing the theological function of these texts the book sheds new light on the role of the aesthetic in Kierkegaard s authorship his surprising affinity for liturgy and sacrament and his overarching effort to conjoin eros for God with this worldly love

### **Soren Kierkegaard And French Literature Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Soren Kierkegaard And French Literature has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soren Kierkegaard And French Literature has opened up a world of possibilities. Downloading Soren Kierkegaard And French Literature provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soren Kierkegaard And French Literature has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soren Kierkegaard And French Literature. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soren Kierkegaard And French Literature. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soren Kierkegaard And French Literature, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soren Kierkegaard And French Literature has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Soren Kierkegaard And French Literature Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soren Kierkegaard And French Literature is one of the best book in our library for free trial. We provide copy of Soren Kierkegaard And French Literature in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soren Kierkegaard And French Literature. Where to download Soren Kierkegaard And French Literature online for free? Are you looking for Soren Kierkegaard And French Literature PDF? This is definitely going to save you time and cash in something you should think about.
