**Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare** Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series Christianity and the Human Brain It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can't be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life's journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of

my dreams and thoughts that I couldn't otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about

**The King and the Corpse: Tales of the Soul's Conquest of Evil** Heinrich Zimmer,1999 Drawing from Eastern and Western literatures Heinrich Zimmer presents a selection of stories linked together by their common concern for the problem of our eternal conflict with the forces of evil Beginning with a tale from the Arabian Nights this theme unfolds in legends from Irish paganism medieval Christianity the Arthurian cycle and early Hinduism In the retelling of these tales Zimmer discloses the meanings within their seemingly unrelated symbols and suggests the philosophical wholeness of this assortment of myth Copyright Libri GmbH All rights reserved

**Encouragement from the Psalms** Dr. B,2023-06-12 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author's mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord

**God in the Dark** Susan R. Pitchford,2011-04-01 Contemporary Christianity is afflicted with two problems First our spiritual life is often bland and lukewarm Distracted and fragmented by our lives and malnourished on conventional piety we feel out of touch with the God described in the Bible as a consuming fire Second we don't know how to make sense of suffering especially the pain of spiritual darkness and aridity The answer to both of these problems is passion In God in the Dark Susan Pitchford explores the two faces of passion desire the mutual attraction between the soul and God and suffering especially our confusion and grief when we find ourselves in dark places We often misinterpret times of darkness assuming we've fabled and God has abandoned us Pitchford suggests that darkness is not a place of abandonment but a place of intimacy and a special call to a deeper relationship with the God who desires us Once we understand this we will not have to fear the dark and when the night closes in around us we can experience it as an embrace

**The Spirit in the Epistles** Witness Lee,2017-03-01 From Romans to the seven epistles in the book of Revelation the life giving Spirit spoken of in 1 Corinthians 15:45 is the general

subject of all the New Testament Epistles In the Gospels the Lord Jesus is presented as the Word who became flesh while in the Epistles He is presented as the One who became the life giving Spirit in resurrection for us to receive experience and enjoy In The Spirit in the Epistles Witness Lee speaks of the believers being one spirit with the Lord that is of the mingling of the divine Spirit with our regenerated human spirit Since the Spirit is the essence of the revelation in the Epistles Witness Lee also emphasizes our practical need to take Christ as life by turning to the indwelling Spirit by setting our mind on the spirit and by living and walking in the spirit that we may live in the Lord who is the Spirit
