Texts Ideas And The Classics:

Texts, Ideas, and the Classics S. J. Harrison, 2001 This book aims to promote a simple idea that in the contemporary context of the study and interpretation of classical literature at universities traditional classical scholarship and modern theoretical ideas need to work with each other in the common task of the interpretation of texts Such dialogue and co operation is not merely desirable it is essential to ensure the survival and relevance of the study of classical literature in the twenty first century The purpose of this book is protreptic to speak both to the sceptical and non sceptical and to suggest to both the importance of the topic The topics selected were chosen by a panel of distinguished practitioners as traditional areas of classical literary studies where the importance of co operation of theory and scholarship could be shown in different ways by scholars who ranged widely in their views literary language narrative genre historicism and reception and history of scholarship

Classics and Interpretations Ching-I Tu, 2017-11-30 In recent years in the West scholars have attempted to unravel old constructs of interpretation and understanding using the discipline of hermeneutics or the scientific study of textual interpretation Borrowed from students of the ever growing body of biblical interpretive literature that originated in the early Christian era theoretical hermeneutics has given many contemporary scholars potent tools of textual interpretation Classics and Interpretations applies this method to Chinese culture Several essays focus on hermeneutic traditions of Neo Confucianism Others move outside of these traditions to attempt an understanding of the role of hermeneutics in Taoist and Buddhist textual interpretation in Chinese poetics and painting and in contemporary Chinese culture This volume makes a concerted effort to remedy our ignorance of the Chinese hermeneutical tradition Part 1 The Great Learning and Hermeneutics demonstrates the use of commentary to define how the individual creates his social self and discusses differing interpretations of the Ta hsueh text and its treatment as either canonical or heterodox Part 2 Canonicity and Orthodoxy considers the philosophical touchstones employed by Neo Confucian canonical exegetes and polemicists and discusses the Han canonization of the scriptural Five Classics while illuminating a double standard that existed in the hermeneutical regime of late imperial China Part 3 Hermeneutics as Politics discusses the transformation of both the classics and scholars and explores the dominant hermeneutic tradition in Chinese historiography the scriptural tradition and reinterpretation of the Ch un ch iu and reveals the pragmatism of Chinese hermeneutics through comparison of the Sung debates over the Mencius The concluding sections include essays on Chu Hsi and Interpretation of Chinese Classics Hermeneutic Traditions in Chinese Poetics and Non Confucian Contexts Reinterpretation of Confucian Texts in the Ming Ching Period and Contemporary Interpretations of Confucian Culture Through these literate and brilliantly written essays the reader witnesses not merely the great breadth and depth of Chinese hermeneutics but also its continuity and evolutionary vigor This volume will excite scholars of the Confucian Buddhist and Taoist systems of thought and belief as well as students of history and hermeneutics

An Intellectual History of China, Volume Two Zhaoguang Ge, 2018-06-01 A history of traditional Chinese knowledge thought and belief from the seventh through the nineteenth centuries with a new approach that offers a new perspective It appropriates a wide range of source materials and emphasizes the necessity of understanding ideas and thought in their proper historical contexts Its analytical narrative focuses on the dialectical interaction between historical background and intellectual thought While discussing the complex dynamics of interaction among the intellectual thought of elite Chinese scholars their historical conditions their canonical texts and the worlds of general knowledge thought and belief it also illuminates the significance of key issues such as the formation of the Chinese world order and its

underlying value system the origins of Chinese cultural identity foreign influences and the collapse of the Chinese world order in the 19th century leading toward the revolutionary events of the 20th century
