Th Evidence Of Love:

Evidence of Love John Bloom, Jim Atkinson, 2016-12-20 The fascinating true story behind the HBO Max and Hulu series about Texas housewife Candy Montgomery and the bizarre murder that shocked a community Los Angeles Times Book Review Candy Montgomery and Betty Gore had a lot in common They sang together in the Methodist church choir their daughters were best friends and their husbands had good jobs working for technology companies in the north Dallas suburbs known as Silicon Prairie But beneath the placid surface of their seemingly perfect lives both women simmered with unspoken frustrations and unanswered desires On a hot summer day in 1980 the secret passions and jealousies that linked Candy and Betty exploded into murderous rage What happened next is usually the stuff of fiction But the bizarre and terrible act of violence that occurred in Betty s utility room that morning was all too real Based on exclusive interviews with the Gore and Montgomery families Edgar Award finalist Evidence of Love is the superbly written account of a gruesome tragedy and the trial that made national headlines when the defendant entered the most unexpected of pleas not guilty by reason of self defense Fort Worth Star Telegram Adapted into the Emmy and Golden Globe Award winning television movie A Killing in a Small Town as well as the new limited series Candy on Hulu and Love and Death on HBO Max this chilling tale of sin and savagery will fascinate true crime aficionados Kirkus Reviews

Evidence of Love Melissa McConnell, 2005 Catherine and Harry are two high powered young professionals living in Washington D C and engaged to be married in a few short months Harry works as a special adviser to the president and Catherine as a publicist for the vice president Once happy and more or less carefree Harry and Catherine now have such little time for each other that Catherine begins to worry about the future of their relationship and she wonders what happened to the Harry she met and fell in love with in New York But when Harry goes missing she is left to question how much she really knows about him and what he knows of her Summoning deeper themes of lost innocence human relationships and ultimately how well we know and understand those closest to us this elegant debut also stirs up the grit of political Washington and reads as a love letter for the romance of New York *The*
