Attention and Alienation Aarushi Bhandari,2025-07-22 The worldwide spread of the internet has revolutionized communication at a harrowing cost the relentless commodification of attention Algorithm driven capitalism extracts profit from not only physical bodies but also the emotional and creative labor of internet users This economic system alienates us from our inmost selves and gives us only a gnawing longing that cannot be satiated a spiraling collective mental health crisis The exchange is deeply unequal we pay attention and receive alienation Aarushi Bhandari offers a new way to understand the political economy of attention combining quantitative analysis and personal narrative to critique the role of information and communications technologies in global society Ranging across levels from international development policy to online social movements through individual internet users she examines how these technologies have fostered a host of unequal exchanges Pervasive inequalities between richer and poorer countries between progressive social movements and the reactions against them and between technological elites and the online population now reinforce one another with far reaching consequences Along the way Bhandari shares her own journey as a chronically online millennial woman growing up among the Kathmandu elite in a dominant caste Hindu family during the Nepali Civil War A bold and incisive critical analysis *Attention and Alienation* also

considers how to reclaim the potential of the internet and design new systems that prioritize collective well being **100**

**Days of Prayer for a Grateful Heart** Carolyn Larsen,2023-10-24 Have you ever found yourself in a prayer rut where you are doing a lot of asking things of God but not a lot of recognizing what God has already done for you Do you find it easy to focus on what you lack rather than what you've been given If you want to breathe new vigor and joy into your prayer life one simple way is to switch your focus from please to thank you Beautifully designed and perfect for gift giving 100 Days of Prayer for a Grateful Heart is a collection of go to prayers for when you want to be able to see the blessings God sends into your life Helping you to look outward and upward rather than just inward these prayers will show you how to express your gratitude to the giver of all good gifts even when it's hard to see the upside of a situation **The Wind in the Willows Felt**

**Friends Disappear** Mary Barr, 2014-10-30 A sociologist returns to her suburban Illinois hometown to compare the paths of black and white childhood friends in a fascinating mix of study and memoir Chicago Tribune Mary Barr thinks a lot about the old photograph on her refrigerator door In it she and a dozen or so friends from the Chicago suburb of Evanston sit on a porch It's 1974 the summer after they graduated from Nichols Middle School and what strikes her immediately aside from the Soul Train era clothes is the diversity of the group boys and girls black and white in the variety of poses you'd expect from a bunch of friends on the verge of high school But the photo also speaks to the history of Evanston to integration and to the ways that those in the picture experienced and remembered growing up in a place that many at that time considered to be a racial utopia In Friends Disappear Barr goes back to her old neighborhood and pieces together a history of Evanston with a particular emphasis on its neighborhoods its schools and its work life She finds that there is a detrimental myth of integration surrounding Evanston despite bountiful evidence of actual segregation both in the archives and from the life stories of her subjects Curiously the city's own desegregation plan is partly to blame The initiative called for the redistribution of students from an all black elementary school to institutions situated in white neighborhoods That however required busing and between the tensions it generated and obvious markers of class difference the racial divide far from being closed was widened Friends Disappear highlights how racial divides limited the life chances of blacks while providing opportunities for whites and offers an insider's perspective on the social practices that doled out benefits and penalties based on race despite attempts to integrate Barr's gripping exploration of the divergent paths friends took away from a childhood snapshot combines the rigor of scholarship with the personal touch of memoir I have rarely read a book that so effectively illustrates the persistence of racial disparities in the United States with unforgettable wrenching life stories Amanda Seligman University of Wisconsin Milwaukee Honorable Mention Midwest Sociological Society Distinguished Book Award

The Top Books of the Year Thank You A Of Gratitude And Friends The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Thank You A Of Gratitude And Friends : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Thank You A Of Gratitude And Friends : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
