Thank You Dear God:

Thank You, Dear God! Helen Haidle, 2001 Presents simple heart felt expressions of thankfulness to God for family friends and the world around us **Dear God** Annie Fitzgerald, 2000 Dear God Kids Series Dear God Jeff Johnson, 2007-07 Written in letter form Johnson offers 33 brief reflections highlighting Gods words of encouragement correction and hope that offer the reader a time for personal reflection and connection to God through His holy Word Christian *Dear God* Bunmi Laditan, 2021-01-26 Are you looking to strengthen your relationship with God Do you find yourself untangling the threads of what it is you really believe Are you longing for a deeper connection to your spiritual side Bunmi Laditan has been in your shoes In the midst of her darkest days Bunmi began writing down her deepest fears hopes dreams and frustrations with God in the form of letters The result of Bunmi s soul searching journey is Dear God a collection of funny heartbreaking and deeply insightful prayers that put words to the emotions we all feel as we grapple with this broken world and search for divine love With the same gutsy and poetic honesty that has already charmed readers around the world Bunmi now shares these moving intimate conversations with God prayers and poems that chart her story of reconnecting with the God she loved lost and found once again Dear God catalogs what we re all thinking as we work out our personal relationships with God These candid field notes will stir your heart and make you laugh out loud with Bunmi s self awareness and profound insight into the spiritual journeys we re all doing our best to navigate Join Bunmi as she travels through those all too familiar emotions doubt anger joy desperation love loneliness and gratefulness that humanity has always wrestled with Wittily fresh and stunningly relatable she exquisitely shares the painfully honest questions she s asked along the way including God what is holiness God how can it be worth it to love life when it could slip away at any moment God what do I do when forgiveness feels impossible God I know you love me but do you like me This poignant collection of prayers is a timely reminder that even when we wander God never leaves our side *Getting the Holy Ghost* Peter Marina, 2013-01-30 This book carries an ethnographic signature in approach and style and is an examination of a small Brooklyn New York African American Pentecostal church congregation and is based on ethnographic notes taken over the course of four years The Pentecostal Church is known to outsiders almost exclusively for its members bizarre habit of speaking in tongues This ethnography however puts those outsiders inside the church pews as it paints a portrait of piety compassion caring love all embraced through an embodiment perspective as the church s members experience these forces in the most personal ways through religious conversion Central themes include concerns with the notion of spectacle because of the grand bodily display that is highlighted by spiritual struggle social aspiration punishment and spontaneous explosions of a variety of emotions in the public sphere The approach to sociology throughout this work incorporates the striking dialectic of history and biography to penetrate and interact with religiously inspired residents of the inner city in a quest to make sense both empirically and theoretically of this rapidly changing surprising and highly contradictory late modern church scene The focus on the individual process of becoming

Pentecostal provides a road map into the church and canvasses an intimate view into the lives of its members capturing their stories as they proceed in their Pentecostal careers This book challenges important sociological concepts like crisis to explain religious seekership and conversion while developing new concepts such as God Hunting and Holy Ghost Capital to explain the process through which individuals become tongue speaking Pentecostals Church members acquire Holy Ghost Capital and construct a Pentecostal identity through a relationship narrative to establish personal status and power through conflicting tongue speaking ideas Finally this book examines the futures of the small and large institutionally affiliated Pentecostal Church and argues that the small Pentecostal Church is better able to resist modern rationalizing forces retaining the charisma that sparked the initial religious movement The power of charisma in the small church has far reaching consequences and implications for the future of Pentecostalism and its followers
