That New Guy:

Thralen G. W. Riddick, 2025-01-07 In this dark fantasy crime thriller set above the Arctic Circle Detective R dberg is called to investigate a remote village left in ruins after an unexplainable event With the midnight sun casting an eternal glow the search for answers takes her across Troms Bod and Harstad where every lead seems to deepen the mystery instead of solving it In the Arctic Saga the detective delves further into the case and begins to unravel threads that challenge her understanding of reality The boundaries between what she knows and what she fears blur leading her into a labyrinth of secrets where the truth remains just out of reach Each discovery reveals a world more complex and layered than she ever imagined testing her resolve and forcing her to confront the unknown THRALEN is a gripping blend of Nordic noir suspense and myth weaving a tale of relentless intrigue set against the remorseless and unforgiving beauty of the Arctic With its vivid atmosphere and haunting narrative this story will keep readers questioning the limits of belief and what lies just beyond it
