Thavis Is Here:

Thavis Is Here Harry Homewood, 1978-06-01 **Pope Francis** Paul Vallely, 2015-08-18 For the past two years Pope Francis has enchanted and bewildered the world in equal measure with his compassion and his contradictions Expanding greatly on his acclaimed earlier book *Pope Francis Untying the Knots* Paul Vallely reexamines the complex past of Jorge Mario Bertoglio and adds nine new chapters revealing many untold behind the scenes stories from his first years in office that explain this Pope of paradoxes Vallely lays bare the intrigue and in fighting surrounding Francis s attempt to cleanse the scandal ridden Vatican Bank He unveils the ambition and arrogance of top bureaucrats resisting the Pope s reform of the Roman Curia as well as the hidden opposition at the highest levels that is preventing the Church from tackling the sex abuse crisis He explains the ambivalence of Pope Francis towards the role of women in the Church which has frustrated American Catholic women in particular And Vallely charts the battle lines that are being drawn between Francis and conservatives and traditionalists talking of schism in this struggle for the soul of the Catholic Church Consistently Francis has show a willingness to discuss issues previously considered taboo such as the ban on those who divorce and remarry receiving Communion his liberal instincts outraging traditionalists in the Vatican and especially in the Church hierarchy in the United States At the same time many of his statements have reassured conservative elements that he is not in fact as radical as he might appear Behind the icon of simplicity that Pope Francis projects is a steely and sophisticated politician who has learned from the many mistakes of his past The Pope with the winning smile was previously a bitterly divisive figure In his decade as leader of Argentina s Jesuits left that religious order deeply split His behavior during Argentina s Dirty War when military death squads snatched innocent people from the streets raised serious questions Yet after a period of exile and what he has revealed as a time of great interior crisis he underwent an extraordinary transformation on which Vallely sheds new and fascinating light The man who had been a strict conservative authoritarian was radically converted into a listening participative leader who became Bishop of the Slums making enemies among Argentina s political classes in the process Charting Francis s remarkable journey to the Vatican and his first years at work there Paul Vallely has produced a deeply nuanced and insightful portrait of perhaps the most influential person in the world today Pope Francis he writes has not just demonstrated a different way of being a pope He has shown the world a different way of being a Catholic **The Marrying Kind** Monique Miller, 2012-06-01 Travis Wayne Highgate has been dumped by his wife He s decided that trying to do things the right way got him nowhere so he s becoming a player He changes like a chameleon for each of his new relationships Once the good guy now he s devious conniving sneaky and underhanded Travis is having the time of his life until his plan is foiled in ways he never expected He realizes his wife is the one he should have worked to stay with in the first place as chance encounters with her and his new relationships teach him that the grass is not always greener on the other side Monique Miller is a 1994 graduate of North Carolina Central University in Durham NC In 2003 she received an award from
