Critical and Exegetical Notes and Discourses on the Gospels Andrew Carroll, 1855 *The Four Gospel & The Great Commission* THOMAS HWANG, 2021-07-27 I hope that through this book the readers will have developed a larger perspective with which to view the Old Testament and New Testament as a single great flow and to connect the Four Gospels with the rest of the books in the Bible At the same time I hope this book will have provided the opportunity to view each of the events in the Gospels in a detailed even microscopic way To this end I earnestly hope that God will grant the readers wisdom understanding knowledge and insight Ex 31 3 Prov 3 13 Isa 11 1 2 I hope all of us will obey the will of God contained in His Purpose of Creation Great Commandment and Great Commission and that we may have the same vision that Paul confessed right before his martyrdom I have fought the good fight I have finished the race I have kept the faith Now there is in store for me the crown of righteousness which the Lord the righteous Judge will award to me on that day and not only to me but also to all who have longed for his appearing 2 Tim 4 7 8 Amen **The Oxford Handbook of the Abrahamic Religions** Adam Silverstein, Guy G. Stroumsa, Moshe Blidstein, 2015-10-01 The Oxford Handbook of the Abrahamic Religions includes authoritative yet accessible studies on a wide variety of topics dealing comparatively with Judaism Christianity and Islam as well as with the interactions between the adherents of these religions throughout history The comparative study of the Abrahamic Religions has been undertaken for many centuries More often than not these studies reflected a polemical rather than an ecumenical approach to the topic Since the nineteenth century the comparative study of the Abrahamic Religions has not been pursued either intensively or systematically and it is only recently that the comparative study of Judaism Christianity and Islam has received more serious attention This volume contributes to the emergence and development of the comparative study of the Abrahamic religions a discipline which is now in its formative stages This Handbook includes both critical and supportive perspectives on the very concept of the Abrahamic religions and discussions on the role of the figure of Abraham in these religions It features 32 essays by the foremost scholars in the field on the historical interactions between Abrahamic communities on Holy Scriptures and their interpretation on conceptions of religious history on various topics and strands of religious thought such as monotheism and mysticism on rituals of prayer purity and sainthood on love in the three religions and on fundamentalism The volume concludes with three epilogues written by three influential figures in the Christian Jewish and Muslim communities to provide a broader perspective on the comparative study of the Abrahamic religions This ground breaking work introduces readers to the challenges and rewards of studying these three religions together *The Abrahamic Covenant ...* Herbert Henry Hawes, 1879 Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth Pedro C.
